

KΔ '13, living at the Charge house. Although I'm afraid he takes a ribbing now and then, his presence has always been welcomed. Isn't it a shame though, that so few of our grads can shoot a decent game of pool? Tsk, tsk. I think that the boys at Kappa Deut ought to give their freshmen lessons in the gentle art of cucing, if they intend them to go forth and spread the gossip.

What of

"Ships and shoes and sealing-wax
And cabbages and kings?"

Nothing except that we'd be glad to discuss them with any visiting brother.

FRANK BROWN, *Charge Editor*

COLLEGE OF WILLIAM AND MARY

Epsilon approaches the end of a very successful year. It is our purpose to summarize the outstanding events of the school year.

To begin with, all of the brothers, excepting last year's graduates and two other brothers, returned to Epsilon. We were slightly handicapped by not having our house ready but December 1 found us eagerly moving our belongings to the new house, which is second to none on this campus. We withstood the barrage of mid-year examinations and now are sailing smoothly until the final test—June exam!

Due to a campus regulation, pledging does not take place until the second semester. Freshmen must pass ten hours of work before accepting a bid to a fraternity. Our rushing season was very successful. We pledged eight men: Joseph Bridges, Richmond; James Mack, McKeesport, Pennsylvania; Roland Hall, Easton, Pennsylvania; William Percival, Cranford, New Jersey; Gardner Brown, Brookline, Massachusetts; Frank Simpson, Richmond; John Lewis, Cranford, New Jersey; Moncure Little, Norfolk. Once again we are enjoying a life of genuine leisure with pledges to do our every bidding.

Our fraternity has been well in front in campus activities. Every brother in the Charge is participating in some form of activity and some are participating in some two or more. The outstanding of these activities bear mentioning. Brother "Mooch" Smithers captained the track team, Brother Nottingham served as manager of the track team. Brother Tuthill and Johnson were awarded football monograms. Brothers Smithers and Tuthill were honored by O Δ K. Brother Eversole has been responsible for the *Literary Magazine*, serving in the capacity of editor. Johnny has also met with remarkable success as chairman of the Board of Control. Brother Fowler has captained a newly founded fencing team with large success. Brother Hargrave was elected to manage the 1932 football squad with Brother Warner as junior assistant. Brother Carroll received a very high honor by being invited to join the Flat Hat Club; he also was elected into the "13" Club. This small summary of activities should show our brothers that we are well absorbed in campus life, and this list is really a minority of the activities which we have to our credit.

Pulling our chairs a little closer around the dying embers (you would be dying too in such a "bull" session) we continue; in a different manner though. Serious? Somewhat. Truthful? Well . . . Brother "HatchePala" Nottingham has been trying to solve the mystery of "Who Swiped the Chicken"; he is house steward and a terrible detective. Our official house warming was a huge success; some of our guests even braved a snowstorm to get here. Seriously though, we added to our already favorable reputation; ahem! Brother Bill, alias "Crash," Mueller gained the distinct honor of being the first Epsilon member to solo at the airport, and not only that, but he broke the field record for solo, in least hours of instruction. Congratu-

lations, "Crash" (note the suitable title). We have changed our hour of meeting to 7:30 Monday nights with the hopes of seeing some of our alumni. Brother "Norm's" visitation in April was: Good—Fair—Terrible. Underline the word, "Norm." We thoroughly enjoyed having Brother Hackett here and know that we profited by his visit.

Well the fire is out but the warm faces of the members around the fireplace characterize their hearts as they wish all of you a most successful season. We are always open to you and ready to extend true Theta Delta spirit. Until we meet—somewhere, sometime, Epsilon bids adieu.

LITTLETON UPSHUR, *Shield Editor*

This year Zeta is having one of its greatest years since the founding of the Charge in 1853. Mid-year examinations were passed successfully by every brother and pledge. Not a single fellow was asked to leave and, as a matter of fact, Brother "Sammy"

Marshall, '34, returned to complete his college course. Also, every man in the house had his semester bill paid in full on time. Yes, miracles do happen—on occasions. The financial budget running way ahead, our scholastic standing as sound as a rock, socially the boys have every woman on the East Side at their feet!

On the campus we are a leader with at least one brother on every team, organization, and publication. To name them all would be a task for any man, for things happen so fast and so often around here that an expert newspaper reporter would have his hands full trying to keep up with the daily news of Z.

On March 19, the seventy-second annual initiation banquet of Z was held in the Charge house. The genial "Wally" Snell, Z '13, acted his part as toastmaster to perfection. "Ernie" McCormick, Z '22, a striving young lawyer from Hartford, gave his views on "Ten Years Out of College." "Art" Durgin, Z '14, former big-league ball player and now an engineer in the vicinity of Wellesley, cited many examples of his friendships in $\Theta \Delta X$. "Charley" Fish, Z '21, one of the foremost students in oceanography, gave us a most interesting dissertation on the new science, aquaculture. "Bob" Hutton, Z '22, gave a brief account of the Charge's activities, also he read a marvelous letter from "Norm" Hackett which did a great deal toward revealing the benefits of $\Theta \Delta X$ to the freshmen. A great banquet and a fine turnout of the alumni!

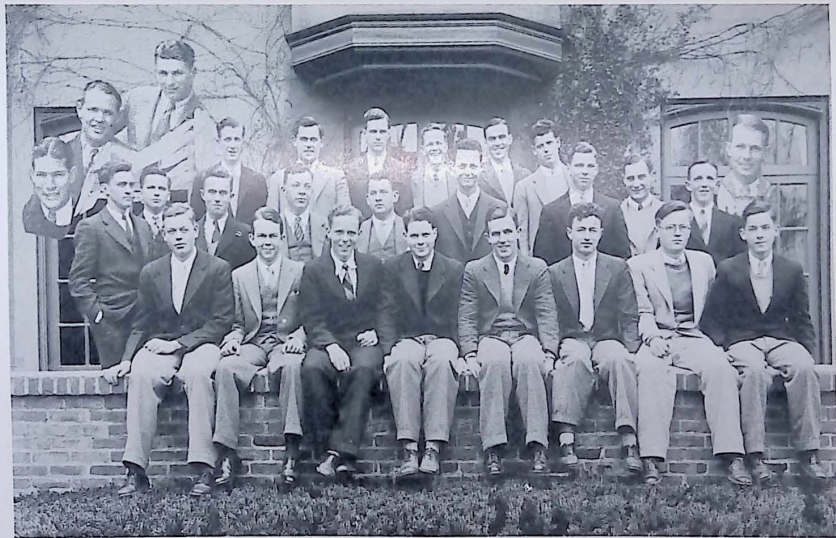

G. WINTHROP MOORE, *Charge Editor*

Another very successful year at Z^{Δ} is quickly drawing to an end, for in the short time of one month the final exams will signal the close of the college term. Thus the house is taking on a silent and subdued aspect as the brothers are indulging

in some heavy studying. The election of officers has of course, been carried out and Z^{Δ} certainly looks to be under capable guidance for another year. Brother Bud Wait succeeds Brother Biggar as president. Brother Wait has done much in the interest of the Fraternity during the last three years and has held several Charge offices. Other officers elected are: Brother Hulbig, secretary; Brother Dettmers, corresponding secretary; and Brother Murray, treasurer.

The Charge held its last dance of the year, which proved a fitting climax to the social events of the season. The number of graduates present was encouraging. The annual ski-outing in the Laurentians had to be cancelled, owing to the unseasonable weather which has prevailed this winter.

The hockey team failed to win back the lost laurels in the interfraternity hockey. By some mad management on the part of the league officials, the team only took part in two scheduled games. However, we made a creditable showing and enjoyed ourselves immensely.

Brother Krukowski is playing a steady game on the defence of the senior basketball team which plays in the City League. Brothers Park, Markey, and Potts are managing the two senior teams. Brother Olgivie is starring for the English I hockey team which is headed for the interclass title.

Brother Hough is editor of the publication of the engineering faculty which recently made its initial appearance on the campus. Brother Potts is leader of the university band for next year. Brother Jack Nixon is stage manager of the current "Red and White Revue" and is being ably assisted by several of the brothers.

And to conclude we would be greatly pleased and highly honored if any brothers in this part of the country would drop in on us and try our hospitality.

ROBERT J. NIXON, *Charge Editor*

With spring just around the corner, H again finds herself prominent in campus activities. In the recent class elections, Brother Madeira was chosen as Popular Man, the highest honor in the power of the junior class, and Brother Art Moyer was elected to the Ivy Ball committee. Russ Dakin and Hank Richardson were star hockey men this season; we look upon Rich as the captain of next year's sextet, although elections have not been held as yet. Brothers Woodie Dana and Charlie Gould are the sole candidates for the hockey managership, so H is certain of cornering that position. Brothers Mal Walker and Baker have shown up well on Coach Jack Magee's track squad this winter, as have Shevlin, Freeman, Hunt, and a host of others. Brother Art Sperry won another New England swimming championship this year, this time in the 200-yard breast-stroke event.

As usual at this season of the year, baseball is holding a leading place among sports. Brothers Johnson and Robinson are on the squad, and Brother Hayward is trying for the managership of the team.

The boys from H are showing up advantageously in non-athletic activities, too. Brother Morse is a strong candidate for the business managership of the *Orient*, the college weekly, and Brother Freeman is one of the stars on the editorial staff. Other organizations—glee club, French club, math club, classical club, etc.—have many Theta Deltas on their rolls.

Eta is proud of her standing on campus, and looks forward to more years as successful as this past one has been.

We are always glad to see a Theta Delt, so be sure to come see us when you happen to be in this corner of the country.

STEWART MEAD, *Charge Editor*

At the present time H^A is enjoying the best of California weather and consequently swimming, sun bathing, and canoeing, in and on Stanford's own lake situated in the center of the campus, is taking up most of our time at the expense of studies.

Eta Deuteron came out in second place in the intramural basketball hoop. With the exception of our first game, which we lost, due to lack of teamwork, we won all of our games by a substantial margin.

Our next intramural sport is baseball and we have high hopes of whip-

ping a first-class team into line. Several members in the house have had experience in this sport on the college squad.

We have pledged Roy McShea and Cliff Edmondson during the past quarter. A first-class initiation will be staged during the first week-end of April to welcome them into the fold of $\Theta \Delta X$.

Stanford University operates under a deferred rushing plan which forbids any contact with the freshmen until the end of their first year. Due to the fact that some illegal rushing took place this year by several of the houses, the Interfraternity Council has deferred the rushing of all freshmen until next fall. Eta Deuteron will withstand the test however, as our house is at present well filled.

There is very little news at this time of the school year so will sign off.

JAMES MOLLER, *Charge Editor*

MASSACHUSETTS INSTITUTE OF TECHNOLOGY

Warm weather is back once more, and exams will be on top of us in three weeks. That's what makes the job of Charge editor so upsetting; you just get through writing about how your Charge has survived one set of exams, and then you turn around and tell how hard everyone is working to squeeze through the next set. At any rate, I'm glad to say that Theta Deut came out unscathed after the January contest with the pros. In fact, we hauled up our standing from seventeenth to fifth, among the twenty-four national fraternities here.

A month ago the Tech Circus was held. This is a traditional event of the year, held in the drill armory. Practically every fraternity and activity on the campus ran a concession of some sort, ranging from gambling contraptions to girl shows. Our particular trap for the nickels of the unwary was a shooting gallery. Yessir! A real, honest-to-goodness shooting gallery, using sling-shots and corks!

A couple of months back, an interfraternity basketball tournament was held. We got through to the semi-finals before being eliminated. More recently a bowling tournament has been occupying the stage.

With crew season in full swing, Brother Roland Glenn has been spending all his afternoons out on the river, rowing on the varsity eight. Brother "Link" Paige has been doing big things on the freshman swimming team, capturing one or more places in nearly every meet in which he has been entered. As president of the M.I.T. Physical Society, Brother Duntley is a personage of importance around school. In spite of the unusually large proportion of the brothers in Theta Deut who are freshmen and sophomores, we have been getting a finger into nearly everything in the line of activities.

Don't forget, $\Theta \Delta$ is Greek for "welcome."

GORDON K. BURNS, *Charge Editor*

WILLIAMS COLLEGE

At present your brothers at $\Lambda \Delta$ are submerged in their studies, with topics, hour exams, and more such drudgery. But with spring vacation only two weeks off, we think we'll be able to last out for that length of time. At least we hope so!

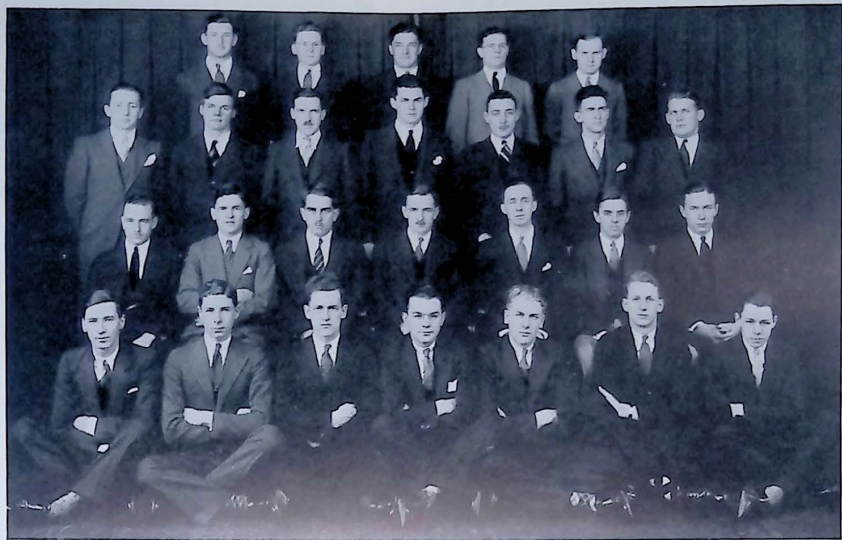

The most important event up here since our last letter was initiations, which came about a month ago. Thirty alumni were back to see ten excellent pledges transformed into full-fledged brothers, both of which facts were most gratifying to us. The freshmen are already out doing things: Brothers

Absent from Picture: N. M. Galt, B. A. Bailey

Ogden, Smith, and Erskine are in the editorial competition of the *Record*. At this time all three are standing high and are likely to make the board. If so, Brother Sargent, the editor-in-chief, will be the subject of much pooping about politics, etc. But they're earning their positions, so what care we? In the same delegation Brother Millar was elected to the board of the *Williams Quarterly* and Brother Foster to the photographic board of the *Record*. Yes, we're proud of our freshmen!

The winter athletic awards were made recently and five letters were added to our collection. In basketball Brother Good, as captain, and Brother Gibbs, as assistant manager, won theirs; in hockey, Brothers Johnson and Bacon earned theirs; and in swimming Brother Gilfillan got his. The latter and Brother Sperry of H are now standing even in this year's contest for supremacy in the breast-stroke, with Andy winning the event in the dual meet and Brother Sperry winning it in the New England meet.

Winter has at last come to Williamstown, but when we return from vacation we expect all the snow to be gone. Then we will be able to try our luck in baseball, track, tennis, and lacrosse. Some are certain to win places on these teams; Brother Urner, for instance, has been jumping five feet eleven in early track practice and should go higher in competition. The glee club, of which Brothers Baldwin, Babcock, Millar, and Smith are members and Brother Cunyningham, publicity manager, will end its season shortly after we get back.

And with these few bits of news, I must bring this letter to a close.

RICHARD C. GIBBS, "*Shield*" Editor

P.S.—House parties come May 14.

With the Kappa Theta Delt cheer still pounding in my ear, I am in an excellent mood to write a letter lauding the accomplishments of the brothers here at K. I just came up from the new gym where the Thetas had just annexed another cup for the mantelpiece. The cup was the coveted prize for the interfraternity basketball championship of Tufts College, making the seventh trophy that K has won of the nine that have been offered in the last two years for various interfraternity athletics. The Phi Eps were the victims in the finals, being unable to sink a basket from the floor. In reaching the finals, the boys representing K had trampled on the Zetes to the dirge of 15 to 8, trounced the A T O's 23 to 9, obliterated the Phi Delts 29 to 3, and in an off night squeezed out a win over the D.U. aggregation by 50 to 9. Our bouncing pledge, "Eagle Brand" Clarke of New York scholastic fame, figured in all the games, playing a real man's game at guard; while Verge and Kaup, the forwards, dropped them in from all angles. But you can bet your only necktie that Captain Moulton, "Beef" Batchelder, and the blond reserves, Bush and Pledge MacLean, were right there when it happened.

Last Saturday afternoon, the indoor edition of the interfraternity track meet was run off, the points won to be carried over until the Greeks can fight it out under the New England sun. Well, old K took about everything but the gymnasium itself, piling up a lead of about thirty-five points to carry outdoors with them this spring. The boys will have to run and jump with knapsacks on their backs to fail to annex the eighth member of our row of little ash receivers. Which reminds me that committeeman "Weary" Willis Thompson has just uncovered a plot by the freshmen to check our accumulation of cups. They claim that their week-ends are spent polishing our trophies. Even though our house relay team broke the college record, the

sight that made our hearts throb and our hair stand on end was the way our freshmen threw cinders behind them. Brothers, oh, brothers! you should see this Pledge Morse run. As a matter of fact, neither he nor Pledge MacLean run very long in the same spot, and the bar is up in the air a few pegs before Pledge Oliver knocks it off in the high jump.

All of our good luck has been offset in no small part by the loss at mid-year of Captain Peter Minasian, 175-pound N.E. intercollegiate wrestling champion, and Curtis Perry, potential 135-pound varsity wrestler. Also Maurice Moore's personality and pen will be greatly missed because of the completion of his course in January. Then, just last week, Tom Holden, learning that he will soon become Cadet Holden of West Point, decided that Tufts no longer needed him, and in spite of our disapproval, left us. Good luck, Cadet! To add to our sorrow, our prestige as the social elite of Tufts College has been greatly disparaged by the cessation of our regular Saturday evening parties. Now, as sort of a measure of compensation, we can concentrate on the fraternity wrestling meet. For around "Grappler" Grant we expect to build a wrestling team that will admirably acquit itself.

Prexy Carley can't seem to keep away from danger. Having just returned from a debate upholding capitalism in the Socialist Club in New York City, he immediately accepted the rôle to kill Cock Robin in the play by that name. That is if he doesn't get put on the spot himself for, ladies and gentlemen, the versatile Warren is writing quotations about his fellow classmates for the yearbook.

Down in the cage, Stan Robinson, K '27, is assisting Head Coach Ken Nash, Z '12, with the baseball squad, so the baseball situation has somewhat of a Thete aspect. The fast double play combination of Hornig to Verge to Batchelder will probably find little opposition in the varsity infield, while Pedulla, Gates, and Pledge Spaulding are throwing their arms off for a chance to toe the rubber in a varsity game. Fighting for a chance to handle their shoots is Jack McMahon of last year's freshman team.

The track connoisseurs tell us that "Granny" Bush, varsity track captain, will lead the strongest aggregation to represent the Hill in years. Granny's specialty is the high-jump.

Buddy Graham, now relieved of his cheerleading duties, is out to maintain his status as an excellent lacrosse player, and he has every available man in the house out to learn how to use the ingrown snowshoe.

In fact, show me any man in the house who isn't out doing something. And brothers, let me take this opportunity to challenge any fraternity house in the world to show me a more active freshman delegation. They are an asinine group, I will admit, but they are doing everything from chasing the weaker sex to singing in the choir. At the recent class election, Pledge Freddy Oliver was elected president and Pledge Raymie MacLean was elected marshal. This means that every undergraduate class here on Hill has at one time or another had a Thete president.

Jackie Maloney, who is running the senior prom, has promised one that will make prom history for Tufts College, and Carley will be master of ceremonies for extra-curricular awards on Junior Day.

Now brothers, prepare yourselves for the biggest surprise of all. At a recent chapel announcement, $\Theta \Delta X$ was found to be number one among the Christian fraternities in scholastic attainment. Yes, as well as being deucedly rough in activities, we are real lilies when it comes to books.

It has been a great year for $\Theta \Delta X$ at Tufts. May our sister Charges be blessed with as much good fortune, and for the love of Pete come around

and see us once in awhile so that we will know you are aware that there is a Charge of $\Theta \Delta X$ at Tufts.

HAROLD F. GATES, "Shield" Editor

Between daily changes from shirt sleeves and flannels to ear-muffs and bennys, Kappa Deut has been carrying on for her dear alma mater, but mainly to eke an existence until the Easter vacation.

"Norm" paid us a visit recently and brought along his usual good cheer, good suggestions, and good (?) cigarettes.

Hell Week was painfully endured by the sophomores, and came to an early end, much to the disappointment of the freshmen, who enjoyed it immensely. To conclude this period of entertainment six aspiring neophytes were initiated: Gey Oldsen, Norm Bruedigam, Ed Schaefer, Dave Eldred, "Duke" Stonehouse, and "Chuck" Coffin.

Edmund Piccuch, '35, of Calumet City, was pledged at the beginning of the second semester.

As a result of elections, Gus Eldred, '32, handed the reigns of the presidency over to Herb Tieman, '33, of Quincy. We are all in back of Herb to aid him in making as excellent a president as Gus has been.

Our intramural basketball team emerged victorious in its division, but was defeated in the play-off for divisional championship.

Pledge Brother Byrne and Brothers Oldsen and Coffin have succeeded in being chosen chorus girls for the annual production of Pierrot, men's dramatic society.

Should any of you condescend to visit the University of Illinois, pull up in front of the residential mansion of K Δ , and let us prove that we can be true Theta Delt hosts; by the way, you had better bring sufficient funds as the house was robbed last night.

DAVID ELDRED, Charge Editor

Another year has rolled by and the brothers are all down to digging in earnest, in order that they may thwart the efforts of Old Man Final Exams in his annual attack. Of necessity, most of the social events are over for the year. Our annual dance

was held in the Royal York on January 29. The wonderful success of the event was a glowing tribute to the management of "Bomp" Stringer and the entertainment committee.

Our annual freshman banquet was held in the Charge house on February 25 and was a huge success. The responses of the freshman brothers to the toast to the initiates served notice that there are several embryo statesmen and railway presidents among the newly initiated members.

Bob Kerr is our president for the coming year; Ned Stewart, corresponding secretary; Ralph Connor, recording secretary; Jack Rutherford, treasurer; and Arch Wilson, house manager. With brothers like these as our guiding lights, $\Delta\Delta$ will continue to maintain its high standard, academically and athletically, during the coming year.

At the last meeting of the year, Arch Wilson was presented with the service medal given annually to the brother who has given the most in time and talent to $\Delta\Delta$. The meeting was followed by a get-together around the fire,

at which we were entertained by speeches from the three graduating brothers, Bill Leak, Hal Shaver, and Ted Benjamin. To judge from the oratory and the brilliant ideas enlarged upon, at very great length, the present international economic depression will be cleared up at a very early date, after the exams.

A movement is on foot to revive the old, annual Λ^A custom of driving along the boardwalk at Sunnyside on Easter Sunday, in an ancient vehicle, drawn by more or less ancient nags. Dick Williams will be sadly missed in the roll of coachman but we have one or two brothers to whom horses seem to "take to" naturally and with their aid we hope to be able to keep from running through too many red lights.

We wish all the sister Charges every success in their annual exams and extend to all an invitation to sample Λ^A hospitality. Until convention, we bid you, *au revoir*.

W. H. FLEISCHMAN, '35, Charge Editor

With condemnations for recent shortcomings still dinning heavily in my ears, with insinuations of a new and glorious springtime penetrating the room, with gloomy anticipations of disastrous exams somewhat marring the otherwise peaceful atmosphere, I rouse myself from my lethargy, interrupting the tranquil course of events with the sudden realization that it is the nineteenth. Stop watch in hand, I begin. This time, it must be done!

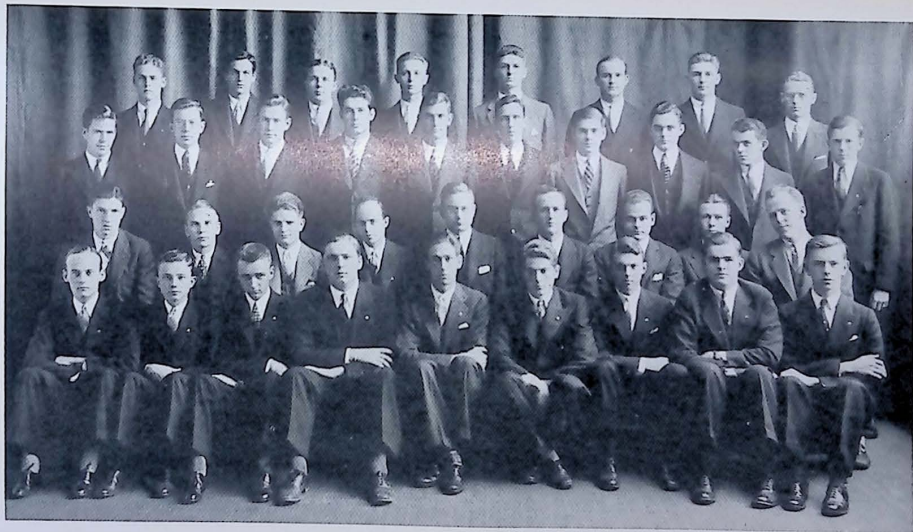

Some months ago, a combination of Brothers Mattern, Woodward, W. Lewis, and Sartorius flashed around the track to capture a third place in interfraternity relays. The basketball season ended less fortunately, but quite as impressively by handing the runners-up a 21-19 defeat.

We have been well represented in varsity sports during the past season. Brother Knutson, as captain of hockey, wielded a potent and effective stick and Brother Count Lane was the only member of the wrestling team to conquer every opponent by a fall and that after granting less than four minutes grace. Sartorius flashed through the track season in grand fashion, equalling the indoor record in the one-lap dash on one occasion and gathering many points in intercollegiate and intramural meets. Wilhelm, Woodward, and W. Lewis, newcomers to the track squad, give indications of proving valuable material ere their career be done. As the baseball candidates report for their early training, Fred Knutson finds his outfield berth waiting for him, and "Chug" Keedy shows form that threatens the infield veterans with keen competition.

Individual scholastic honors have been equally impressive. Pat Gilmore was the only undergraduate to win one of the Amherst Memorial Fellowships for next year and Howie Nostrand was recently elected to $\Phi B K$. Both gentlemen have also earned a place on the Bond Fifteen, ranking them among the first in class scholarship.

Social prominence won Brothers Raye, Sartorius, Browning, and D. Keedy membership in the Sphinx Club. Competitions continue to occupy most of the sophomore delegation and I regret that I cannot predict the outcome of any with assurance. Brothers Kirby, Meyer, and Schoenfeldt contributed effectively to the Masquer's recent production of Shakespeare's *Richard III*.

Due to the early fall rushing at Amherst, we have to launch an early attack, and we would be grateful if those brothers knowing of any prospective members of the delegation of 1936 would advise us of their qualifications.

Once more, we extend our invitation and hope that many brothers will find occasion to avail themselves of the opportunities afforded by Amherst and vicinity.

C. BARTLETT EDDY, *Charge Editor*

VNIVERSITY OF VIRGINIA

Nu Charge finds itself at the present time in the throes of the second term examinations, after having enjoyed a pleasant and successful two months since Christmas.

There have been a few things, however, to disturb the quiet and serenity of college life. Brother Roberts practicing on the sax has been a constant source of joy to those unfortunates living in the house. Mels seems to spend most of his time with either sax or sex, as every week-end finds him at Sweet Briar. We can hardly blame him after getting a good look at the principal attraction. George Gardner is slowly convalescing from one of his frequent nervous collapses. Poor George usually finds the strain of a half-term's studious endeavor too much for his frail constitution. As a result, he has to repair frequently to Richmond, where a certain young lady's soothing care and attention manages to restore him to our midst once more.

We were mighty sorry to see two of the brothers resign from school during the past term. John Simpson is still hanging around Charlottesville, but Andy Hunter has been forced to leave school for the rest of the year, due to poor health. We are looking forward to having him with us again next year.

The varsity and freshman swimming teams profited greatly this winter by the swimming and diving of four Theta Delts. Wally Klie participated in several of the varsity meets, while three of our goats, Brothers Bright, MacKenzie, and Shankland, won their numerals with the freshman squad.

Now that spring is upon us, many of the brothers are turning their attention to the outdoor sports. John Kimble, Jim Rowley, and Norm Maguire are bidding for regular berths on the baseball team, while Billy Williams, a crack defense man on the lacrosse team, is sure to be a big help in that sport. The tennis team is counting heavily on the services of George Burnett, one of last year's letter men.

We have enjoyed visits from several Theta Delts since Christmas and sincerely wish that more of the brothers would give us a chance to welcome them at N this spring.

"Norm" arrives in the early part of April, so much refreshing of the memory on Charge roll, Fraternity history, etc., will soon be in order for us.

RANDOLPH RUFFIN, *Charge Editor*

LEHIGH UNIVERSITY

Well! Who would have thought that May would roll around again so soon? It seems only a few weeks ago that I skidded up to the house, last September, in a rattling taxi to be greeted by one sleepy brother and the beaming colored houseman. Things certainly have been moving since then, moving so fast that I can't possibly record half of them. It seems as though summer vacation can't possibly be only three weeks away, but with those infernal exams starting the twenty-fourth, I guess home, as well as prosperity, must be "just around the corner."

With the first semester safely behind us, we turned our attention to the difficult task of "making men of the frosh," and luckily were very success-

ful. As a result we held initiation for six "good men and true," and we're mighty proud to introduce our new brothers to you: Edgar Hoar, Ridgewood, New Jersey; "Sonny" Matthews, New York City; Jack Matthews, Newark, New Jersey; John Piper, South Orange, New Jersey; Robert Salmon, Maplewood, New Jersey; and George Story, New Rochelle, New York; all members of the class of 1935.

I presume I should do the Charge boasting for the year, so here goes. Brother Ruth won his letter on the varsity basketball team, while Brother Casselman won his as manager of that sport and another as cheerleader. Brother Jack Matthews and Pledge Borton both won their numerals in frosh football. The results of managerial competitions have not been announced as yet but we feel quite confident that we will have the field well covered. Brother Fry will probably become manager of basketball; Brother Lambert, assistant manager; and Pledge Bamert will assuredly receive his numerals as assistant manager of frosh basketball. At this writing, Brothers Jack Matthews, Sonny Matthews, and Story are engaged in lacrosse, while Brother Piper flings the discus, Brother Elliott the baseball, and Brother Taft the "bull." Five dripping culprits in the house wear K B Φ keys, and the rest of the house is, I assure you all, very, very active, both in college and in Al-lentown.

Now that that's off my chest, I'll tell you a few of the happenings here in Bethlehem since March. We decided to give a spring dance this year instead of the usual house party, and it was the talk of the campus all through April. The spring weather has seduced most of the brothers out on to the lawn, where you will find them blissfully taking sun baths clad in bath towels and sandals. The weather may also account for the disappearance of three Theta Delt pins since the snow vanished. It surely is just the right time of year for a motor trip, so we suggest that you try Pennsylvania's superb highways, and visit the boys on the top of "Old South"—you can stay in bed till noon, eat and drink what and when you please, sleep on the sofas in the afternoon, and help us swat flies in your spare time—why not try it?

One parting admonition—please don't judge the intelligence of the entire house by the haircuts adorning some of the brothers in the house picture found elsewhere in this issue. (Adv.)

P. H. SLAUGHTER, JR., *Charge Editor*

P.S. Brother Ruth just strolled in to remind me that he is on both the tennis team and the golf team, and will undoubtedly shine on both, and to be sure to get it in THE SHIELD, so here it is, believe it or not!

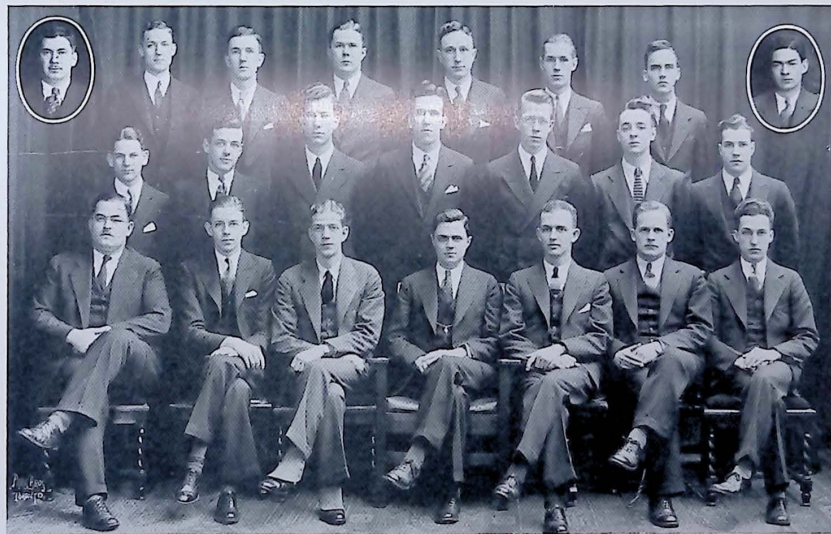

On February 20 we initiated seven new men into the Fraternity, who, we feel, will be fine Theta Deltas and worthy of your confidence in them. They are: DeWitt Clinton, Boston, Massachusetts; Donald C. Buckman, Rockville Center; William S. Banks, Toledo, Ohio; Nicholas H. Alter, Toledo, Ohio; William J. Rusling, West Caldwell, New Jersey; Clark C. McElvein, Cohoes; William H. Bowden, Geneva; all of the class of 1935.

We now possess three of the editors on the *Hobart Herald* staff. The new managing editor is Brother Bennett; the exchange editor, Brother R. Ferris; and the alumni editor, Brother Babcock.

I happen to be the much-handled room mate of Brother Gammel, who has earned for himself a position in our newly pledged wrestling team. I suppose he has to work off his excess energy somehow, though.

The greatest honor of all has fallen to our president, Brother Cummings.

He has been elected to $\Phi B K$. Just to give you an idea of what a man he is, he can wear a $K B \Phi$ key on the opposite side of his watch chain.

We are watching the approach of June with mingled feelings; joy that the year is almost over and sorrow that we are about to lose from our Charge two members, Brother Preller and Brother Cummings. We shall miss their companionship with their helpful aid and kind suggestions. They have played no small part in the advancement of $\Theta \Delta X$ to an enviable position on the Hobart campus.

Lots of luck in the approaching examinations and for next year.

WALTER L. BENNETT, "Shield" Editor

Well, here goes the last of THE SHIELD letters for the present school year. With Easter vacation behind us, we are looking beyond finals to the long anticipated summer holiday.

Brother "Norm" has paid us his annual call—and what a call! The boys at the house are still talking about it. "Norm" and his camera have been the bright event of the winter season for us and we certainly made a joyous time of it—what with a tea at Mrs. May's home, an alum banquet at the Wilsonian, two pleasant Charge quizzes, a congenial gathering and thirst-quenching at the Wilson's, and finally a rousing send-off which we all hated to see come so soon as we had hoped for a few more days with "Norm."

We have initiated four men since then. They are as follows: Mel Cosgriff, '35; Bob Greene, '34; Roy Jacobson, '33; and John Williamson, '35.

George Handley and Jack Sweek have been pledged to $\Delta \Delta \Sigma$, national advertising honorary, in which Clarence Winberg and Dean Wallace are members. Al Walsh is still fighting it out for the crew manager's job for next year and his chances look good. Brother Bob Mya is scheduled to race in the first lightweight boat and should bring home his "W" sweater soon. George Sayles will probably not make varsity or Jayvee this year, but will undoubtedly go to Poughkeepsie as the port substitute, as he is one man who can row any position on that side of the boat and do a good job of it. Cosgriff is starting work on the columns of which Winberg is business manager. So much for activities.

We Xi Deut boys broke down and gave the women a break when we had our first exchange dinner in five years. The A. D. Pis were those blessed.

The Mothers' Club had a luncheon at the Orpheum Theater last week and saw a show besides. They have plans for a dance in the spring, which all the boys are looking forward to with delight as our calendar has missed the usual quantity of social events due to the prevailing economic conditions.

Chuck Henry, rushing chairman, has started the ball rolling for next fall and the dates are beginning to pile up already. Any tips from alums along this line will certainly be appreciated and acted upon immediately.

We are still living at the Wilsonian and our welcome sign hasn't changed a bit; in fact, it is even more enticing than it was.

Well, here we are—approaching Wisconsin's most wonderful season—buds are budding, spring is springing, the leaves are leafing, and the snow is "leafing." (Pun, get it?) Also, the birds are coming back—wise birds in speeding, sirened roadsters with the top

down. We seniors' thoughts are turning not so lightly to thoughts of having to start to work at our \$300 a month positions in June.

With spring comes initiation and we find five boys eligible: Herbert Anderson, '33; Earl Ellis, '35; John Lehigh, '35; Warren Pinegar, '35; Paul Thiele, '35. By the time this is off the press, these boys should all be good Thetes and true.

"Norm" visitated with us from 12:15 C.S.T., February 21 until 8:00 A.M., C.S.T., February 25. He found the Charge in very good shape—the only hitch being the fact that we are not running as full a house as usual, but that is a prevalent situation at Wisconsin, as perhaps it is everywhere. We enjoyed the pictures which "Norm" had of other Charges—they were most entertaining and informative.

As this letter is submitted, we find ourselves on the verge of a party more appropriate of the times than any party held, or shall we say thrown, for some years—a hard-times party. We are all going to put on our best suit and come. Some of the more fortunate brothers who have not been forced to hock their derbies, purchased B.C. (before the crash), are coming as stock and bond salesmen.

Merle Kelley has been promoted from a captain to major in the local R.O.T.C. He has also been appointed to the chairmanship of one of the military ball committees. Bob Kettner, who has been initiated into $\Phi \Delta \Gamma$, honorary chemical society, and paid his fifteen bucks, is griped as dash because he has not yet received his key. Hal Wines has thought of going out for track, but has not really uncovered yet—the coach wants to save him for the outdoor season surprise. If he were uncovered now, the other runners would probably lay for him to disable him with a view to getting a sure-fire winner out of the competition. Curt Fuller ran for *Cardinal* Board of Control, but was a little short-winded.

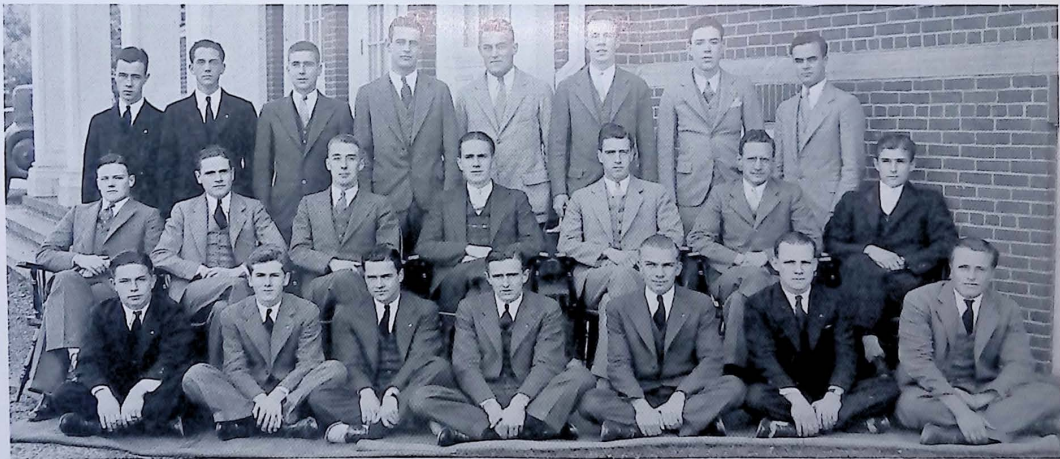

Well, enough of this tommyrot—I'll close with the extension of a cordial invitation to all brothers to drop in (Madison, the city of four lakes) on us whenever possible.

UNIVERSITY OF MINNESOTA

With the success of the fifth annual "Africander" party in the immediate past as an example of a party (universally called one of the best ever), we look forward to a spring formal, that must be slightly better than the best. So much for the parties. In a year

particularly onerous for social planners, we have come out rather well on the whole. At the same time, sufficient time has been spent on such matters as scholarship, through the adoption of a new study plan which requires a minimum of ten hours study per week in the university library. This scheme applied to actives below grade as well as pledges, and failure to satisfy the minimum set for each week results in a fine.

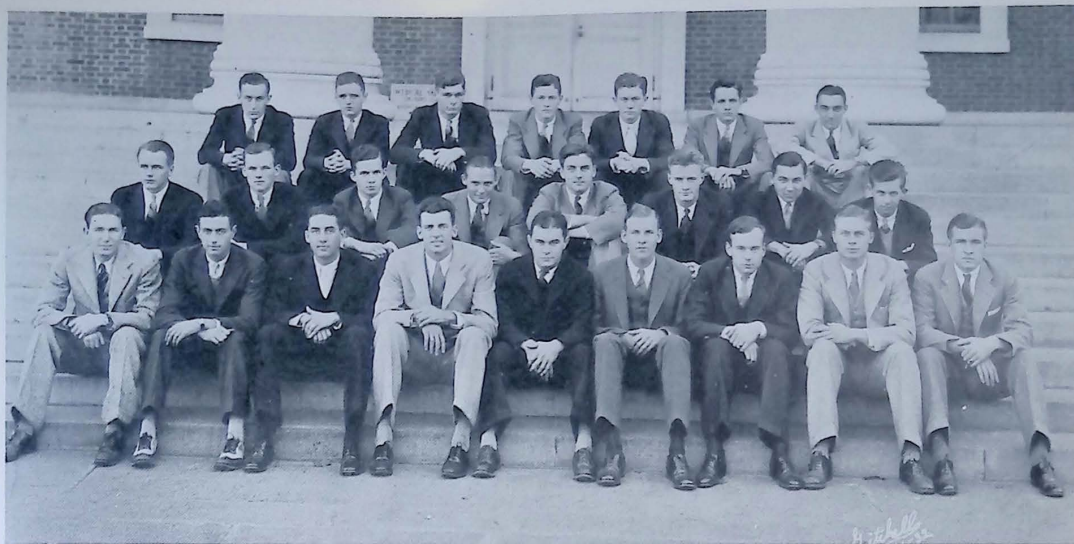

In activities too, Tau Deuts have had their share of grime and glory. The athletic John Bergan has given many a famed thin-clad qualms by his constant threats as number-one cinder speedster. His specialty is the half-mile. Another runner, who gained his early experience by outstriding local policemen, one Gordon Williams, has also been regarded favorably by Minnesota's track coach. Recently wrestling became a favorite time-killer among the physically inclined members, and some persuasion has forced these followers of the groan and grunt sport to move down to the stadium for their exercise, leaving the front room and halls of the Charge house available for other uses. Incidentally, by this move our behemoths of the mat have brought themselves to the attention of Minnesota's wrestling coach. It is probable that Pledge Arnold Brasset and some others will be varsity wrestlers by next year. At

present Max Ramsland is the leading contender for the all-university squash championship—and that means another cup.

In other activities, such as campus organizations, some of the boys have done well for themselves. Howard Smith has just been elected secretary of the Forestry Club, governing body of the forestry school. Gordon Williams, vice-president of the Sophomore Commission, recently supervised arrangements for the annual sophomore party. Judson Anderson will be co-chairman of a mock political convention which is sponsored every four years by professional journalistic and honorary forensic groups on the campus. Naturally he will require able assistants, and where can he find abler than in the T Δ house? A rhetorical question.

Actives and pledges are readying themselves for the brief Hell Week which comes once each year here, as elsewhere. Pledges are exhibiting alarming willingness to do almost anything, at most any time, but it is believed that all this comes as palliating gesture, bred from a great fear of being pounded on their posterior portions. However, time will tell.

JUDSON ANDERSON, *Charge Editor*

That most delightful time of the year, the spring term, is here, and the majority of the brothers are wishing vainly that they hadn't taken so many cuts at the first of the term. However, a goodly percentage of the Lafayette Theta Delts are about and doing in the

various campus activities.

Ed DeRevere, just to make your scribe appear to be a prevaricator, returned to college this term, and is now one of the strong varsity pitching staff on the baseball team. Ed's little brother, Jimmie, and Wayne Dumont are striving valiantly with the yearling ball club. "Snub" Pollard is teaching the varsity lacrosse team how the game is played by experts, while Al Williams has come exceedingly close to breaking his leg on three separate occasions in trying to high jump over six feet. Ed Wadsworth has finally located a discus, and now imperils the lives of the other members of the track team by throwing the Greek pie in any and all directions.

Toward the end of March, Jim Crawford was unanimously elected managing editor of *The Lafayette*, the college newspaper, and Brothers Andrews and Bell were advanced to the office of assistant managing editors. The fellows in the house are also gunning for other offices on campus organizations, but at the time this goes to press the results are unknown, although the outlook is favorable that we will have the president of Student Council in the house next year in the person of Al Dunbaugh.

Socially we haven't quite lived up to our high standard of previous years, but we are having two dances in the house in the afternoon and evening of May 7. Of course, all brothers who are in our vicinity at that time are extended a cordial invitation to attend our dances, always the best on the campus. During the five days from May 17 to May 22, Lafayette College is holding its centennial celebration, and we hope and expect that as many brothers as possible will attend the pageant and drop in at the house.

In conclusion, let me personally say that those of you who have read the letters I wrote this year will be glad to know that this is probably the last Charge letter that the present incumbent will write. Evidently very few people read the Φ letters this year, as visitors to the old house have been exceedingly few and far between. If any wandering brother should get around to the house, he will find a warm welcome awaiting him.

GEORGE C. ANDREWS, JR., *Charge Editor*

UNIVERSITY OF PENNSYLVANIA

It is with great pleasure that we present our pledges: Fritz W. Claus, Plainfield, New Jersey; George T. Craven, Secane; Hubert F. Frankenfeld, Rochester, New York; John Healy, Malden, Massachusetts; and Edward W.

Twaddell, Jr., Devon; all of the class of 1935.

Pledge Claus is stroke of the freshman lightweight crew, and is connected with the Christian Association, and Pledge Twaddell is active as a contributor to the *Triangle*, a monthly magazine of a technical nature.

In regard to the activities of the upperclassmen, Brother Bastian has been elected to the board of the *Wharton News*, and Brother Ermatinger is active in the crew managerial competition which keeps him out on the river every afternoon of the week. Brother Berthold does his share of wrestling. Brother Brown has been elected to the Travel Bureau Board, and Brother Taylor has been made associate manager.

Brother Thomas D. Shipston of Niagara Falls, New York, left us in February, but we are looking forward to his return next fall.

Spring festivities plus spring fever equal poor grades and little studying. And it certainly is a job trying to stay indoors this weather, after all the spring dances and proms are now almost a memory with many of us, and tennis courts and golf courses are now being put in readiness for the summer season. So here's hoping you have a very enjoyable summer, and a profitable one too; and before then—don't forget to pay us a call when you're tooting through the town of brotherly love, or are stopping over for one reason or another. We have an illuminated beacon over our outer doorway that serves as a friendly guide to wandering Theta Delts, and it's there for that purpose.

STUART L. TAYLOR, *Charge Editor*

UNIVERSITY OF ROCHESTER

To climax another successful rushing season X initiated nine excellent freshmen, who, we are sure, will make fine Theta Delts. They are Brothers Barlett, Cornell, Cotton, Hayward, Johnston, Ross, Scheible, Smith, and Warder. The banquet which followed was an innovation in that the dean of the college, who is not a brother, was one of the speakers—an indication of the close co-operation and friendship which exists between the administration and the fraternities at Rochester.

In the election of house officers, Brother Willard Holbrook, son of our distinguished brother, Fred Holbrook, '03, was chosen as president. The other officers are: Brother Edwin Vanderlinde, '33, treasurer; Brother Leander Walker, '33, secretary; Brother Kenneth Paul, '33, corresponding secretary; Brother Harold King, '34, herald; Brother Charles Vaughn, '33, steward; and Brother Karl Lagler, '34, Charge editor.

In intramural sports we are moving along at a fast pace. During the winter season we won first place in the basketball competition, and now are well underway toward proving our excellence in baseball, by again taking first place under the leadership of our pitching ace, Norm Selke, as captain.

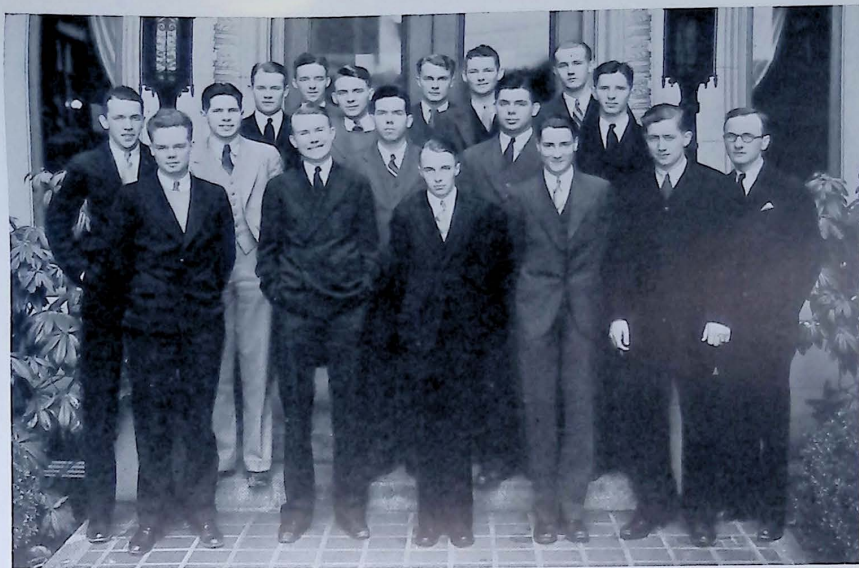

Spring has arrived, but, contrary to the customary attack of inertia which is rampant at this time of year, the brothers have been inspired with new vigor; from the lowly freshman cleaning the house, to the mighty athlete fighting for victory on a varsity team. Spring football practice has called Brothers Manzler, Randall, and Norton from the confines of their studies. With Brother Dink Erdle as captain, Brothers Aradine, Fischer, Holbrook,

Absent from Picture: George Sayles, Clarence Winberg, Robert May

and Henehan on the mound, and Brother Warner in the infield, the varsity baseball team is virtually a Theta Delt club. Brothers Carl Paul and Norman Selke have been elected to Φ B K for their outstanding academic excellence during their college career. Brother Hoffman just completed a successful year as Rochester's most versatile cheerleader.

The charge is now buckling down to work, in order to insure that the results of the harrowing sessions in June will be satisfactory to those omnipotent beings whose chief pleasure is derived from the preparation of fiendish traps for the unwary.

LEANDER H. WALKER, "Shield" Editor

THE GEORGE WASHINGTON UNIVERSITY

As we approach the end of March, we of X^A find ourselves about to pass into a new régime. The officers who have served so faithfully and efficiently for the past year are stepping down and their places are being taken by enthusiastic but less experienced brothers. Those who have been elected are: Parker Jones, president; Edward Bowles, treasurer; Hartwell Parker, recording secretary; George Wells, corresponding secretary; William Bogardus, herald; Grant VanDemark, Interfraternity Council delegate; Stearns MacNeil, Charge editor; and Franklin Backus, librarian. The good feeling and singleness of thought in the Charge were shown by the fact that only one or two of the lesser officers were contested. We will all feel deeply the loss that will befall us in June when Brothers Henderson, Westbrook, Nyman, and Sterrett graduate. They have been the "powers behind the throne," so to speak, here at X^A , and it will be very hard to fill their shoes.

The men pledged in September have been initiated except two who did not make their grades. We welcome as brothers, Leonard Stevens, Bill Fitch, Bill Clandy, Carroll May, Karl Messinger, Leon Commerford, Bill Dix, and Joe Catchings. Henry Sheper was pledged just recently and we have several prospective men in view whom we hope to pledge soon.

Before THE SHIELD has returned from the press, X^A will have had its annual birthday banquet. This year we are going to gather at the Racquet Club and all indications point to the best party we have had yet.

The Drama Club here at school is about to put on its spring play and we expect to have several men in the cast. Brothers Nyman, VanDemark and Commerford seem sure of being among those on the stage when the curtain is raised.

The bowling team that we hoped would bring us the interfraternity championships failed to keep going at top speed after a most auspicious start and ended up in the middle of the league. The boys tried hard, but something went wrong. We are now turning our attention to the baseball competition. The prospects are rather uncertain, but most anything can happen and maybe we'll get the breaks.

PARKER H. JONES, Charge Editor

HAMILTON COLLEGE

In my last letter I reported that winter had come and gone, bringing us very little snow and no cold weather, and that spring had come to the Hilltop. I was wrong! Since then we have had all the snow for the winter, and all at once. It snowed steadily for three days, catching a good many of the boys away on week-ends, and the choir in New York City, and then drifted. Four days later we were able to walk on

the roads without ploughing over the tops of our overshoes. In the meantime we went to classes on skis.

Probably the most astounding bit of news is this—the scholarship averages of the various fraternities and societies on the Hill were announced last Thursday, and $\Theta \Delta X$ led all the rest!

On the afternoon of Sunday, February 14, we initiated this year's delegation in its entirety, eleven in all. At the banquet following the ceremony, President Ferry, Δ '91, was the main speaker. "Spen" Phillips, Ψ '30, Fred Folley, Ψ '30, and Dick Rathbun, Ψ '28, also spoke briefly and a telegram from Fred Cunningham, Ψ '99, was read.

Probably a good many of you heard the Hamilton College choir concert over the Columbia network on February 6. Alexander Woolcott, Ψ '05, was the master of ceremonies, and singing in the choir were Harry Porter, '32; Bill Morrow, '32; Bob Phelps, '32; Bill Hands, '33; Jerry Folley, '34; Eb Constantinides, '34; and Carl Ferry, '35.

The baseball team, captained by "Ozzie" Harvey, '32, has begun spring training, but it is too soon to give any predictions.

When the Williams hockey team came here we met Brothers Bacon, Δ '34, and Johnson, Δ '33. On the same day Brother Warren, X '34, made the trip to Hamilton with the Rochester basketball team.

And, speaking of Rochester, the track team, with "Soup" Campbell, '32, Bill Morrow, '32, "Ig" Stewart, '32, Newt White, '32, Will Weedy, '33, and Eb Constantinides, '34, goes there on Good Friday for the indoor meet. We should win this meet, but "should" doesn't always count.

The last and most joyous bit of news is this—in the face of opposition of the faculty we, the student body, have won out in the recent Battle of the House Party, so I am able to invite you all to attend the First Annual Resurrection of Spring House Party. The date will be announced later.

So, having cheered the hearts of our near-by brothers as our own were cheered, I close my third and last SHIELD letter. Fare thee well, my brethren.

NEWTON E. WHITE, "Shield" Editor

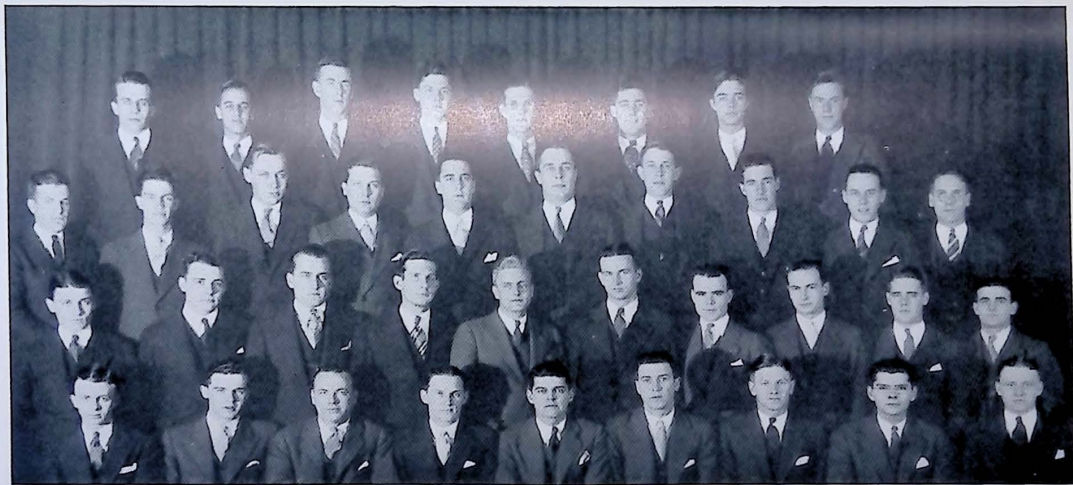

Psi Deuteron has just initiated three fine men: Raymond C. Edwards, Walter C. Cash, and Roger B. Swartwood. We regret to say that Pledges T. Ferrer and F. Borchert are not in school this semester; however, they will be back in the fall so they are not lost.

The mid-winter incoming freshmen were looked over and we have selected Charles S. Blackstone, Walter Vidor, and Herbert Fox as the nucleus of our pledge class. They will aid Pledge Walter Wortham in keeping the house clean.

Things at U.C.L.A. have been coming right along and Thetes have been aiding in the progress. Brother Rossi, varsity pole vaulter; Brother Edwards, freshman miler and two-miler; Brothers Harris, Boyce-Smith, and Cash in university dramatics (Cash, by the way, looks like a sure bet for the lead in the annual Greek drama); Brother Rhone, varsity wrestling; Brother McKay, varsity golf; Brother Adams, junior track manager; Brother Russell, vice-president of Manuscript Club; and so on, but I must stop bragging.

Grades came out not long ago and $\Theta \Delta X$ retained her honor. Brother Jim Wortham took the house scholarship trophy with an A average, closely pressed, however, by Brother Boyce-Smith.

Our latest dance, a dinner dance honoring the new initiates, was held at the Whitley Park Country Club. Even though some of the brothers spent most of their time playing ping-pong, it was a complete success.

At our elections in March, Brother Adams was elected president; Brother Wortham, recording secretary; Brother Heath, corresponding secretary; Brother Harris, herald; Brother Howard, house manager; and Brother Boyce-Smith, treasurer. With these men in office, Ψ^{Δ} is bound to move ever onward and upward.

Psi Deuteron hoped that all brothers in her vicinity will drop in for a visit. However, they will have to bring their own bathing suits as we have just a few extras and they are in almost constant use.

EDWARD RHONE, *Charge Editor*

THE RUNAWAY

Robert Frost, O^{\Delta} '96

Once when the snow of the year was beginning to fall,
We stopped by a mountain pasture to say, "Whose colt?"
A little Morgan had one forefoot on the wall,
The other curled at his breast. He dipped his head
And snorted at us. And then he had to bolt.
We heard the miniature thunder where he fled,
And we saw him, or thought we saw him, dim and grey,
Like a shadow against the curtain of falling flakes.
"I think the little fellow's afraid of the snow.
He isn't winter-broken. It isn't play
With the little fellow at all. He's running away.
I doubt if even his mother could tell him, 'Sakes,
It's only weather.' He'd think she didn't know!
Where is his mother? He can't be out alone."
And now he comes again with clatter of stone,
And mounts the wall again with whited eyes
And all his tail that isn't hair up straight.
He shudders his coat as if to throw off flies.
"Whoever it is that leaves him out so late,
When other creatures have gone to stall and bin,
Ought to be told to come and take him in."

COLLEGE EDUCATION HELD LOSING VALUE

The economic importance of a college education is going to decrease in the future, for the number of college graduates is increasing faster than the demand for them, declares Dr. Harvey N. Davis, president of Stevens Institute of Technology. "It will no longer be worth \$3400 a year to a man to have had a college education. But this will not mean it will no longer pay to go to college, because more and more young people will do so merely for the increased enjoyment they will get out of life afterward."

GRADUATE PERSONALS

A

William A. Robinson, '16, is in Plattsburg, New York, as manager of the New Business Division of the Associated Gas and Electric System.

Vince Sheals, '20, is in New York City as transmission engineer for the General Electric Company. An interesting article by him may be found in the last issue of the *G. E. Monogram*.

"Swede" Jansen, '22, is very much at work for the Dravo Construction Company, building a subway for the city of Philadelphia.

Dr. William C. Orstrom, '23, is practicing in Schenectady. His address is 712 Union Street.

Coburn D. Hollister, '27, is now with the New York Power and Light Company in the Glen Falls district.

Morris T. Decker, '28, is living in Babylon, New York. He is working for the State Highway Department.

Tom Aldrich, '31, is studying at the Albany Medical School and is living in Albany at 19 Glenwood Street.

Leonard McGuigan, '31, is another prospective medic. He is at Rochester Medical School and gives his address as 303 Genesee Park Boulevard, Rochester.

"Pete" Pallo, '31, has been sent to New York City by the Hackensack Water Company to work in their statistical department.

B

Craig Adair, '06, is president of the Adair Day Corporation, metal sales agents. His office is at 1018 Girard Trust Building, Philadelphia.

Paul Wilder, '12, is resident manager of the San Francisco office of the Central Republic Company, securities affiliate of the Central Republic Bank and Trust Company of Chicago. His address is 405 Montgomery Street, San Francisco.

Ralph W. Green, '14, is now professor of economics and sociology at the State College of North Carolina.

Goodwin R. Harris, '22, is a mem-

ber of the firm of McLeod, Young, Harris, and Scott, of the Montreal Curb Market and the Toronto Stock Exchange. He lives at 466 Spadina Road, Toronto.

"Freddie" Morrison, '23, has a responsible position in the real estate department of the Manufacturers' Trust Company at 55 Broad Street, New York. In this present responsibility in Brother Gibson's bank, Freddie is remaining true to his first love—real estate. After leaving Cornell, Fred made a name for himself as a high pressure salesman in New York real estate with the French Company. During the "gold rush" to Florida, Freddie got in on the ground floor and did a bonanza business around the Palm Beach section. When typhoons and cyclones and you know the rest began hitting Florida, Freddie got out and organized an oil company in Texas, which he later sold before coming back to his first stamping ground. For the past two years he has been with Cushman and Wakefield and has closed many important real estate deals in the Grand Central area. Freddie is married and has three children, Frederick, Jr., Nancy-Jane, and William H. D.

S. F. Dunn, '30, is continuing the study of law at Michigan Law School. He is living at the $\Phi \Delta \Phi$ Lodge, 502 East Madison Street, Ann Arbor.

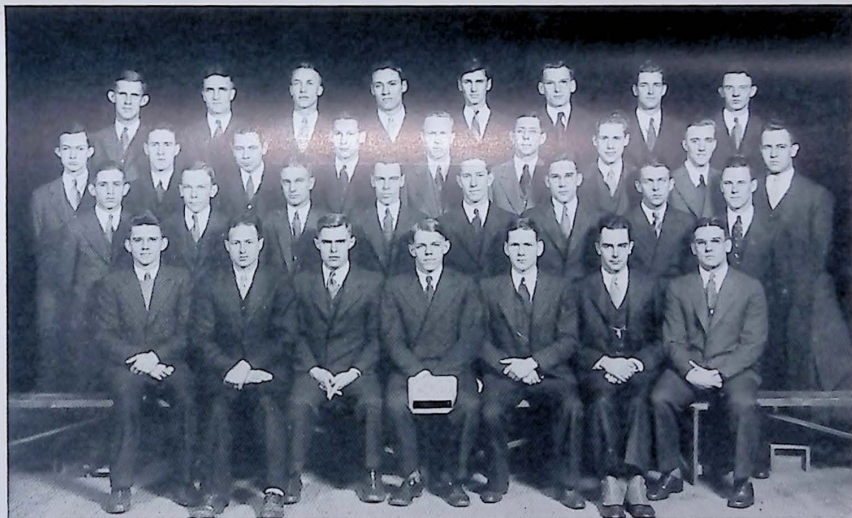

Donald B. Saunders, '30, is with the New York Telephone Company and his address is 454 7th Street, Brooklyn.

BA

Dale H. Swanson, '21, of Wyncote, Pennsylvania, is now a representative of the Line Material Company.

W. T. Minerman, '22, is in the Ford business at Exira, Iowa.

Carl H. Barclay, '28, has been called to the main office of the Franklin Management Bureau at 1616 Walnut Street, Philadelphia, as assistant to the general manager. This firm has supervision over some sixty branch

offices. He reports that he sees George Weinhold of A as well as "Tony" Lawrance, '27, John Thurber, '28, and Carl Ours, '29, of B4, occasionally.

Carl C. Shellabarger, '30, lives at 422 Jersey Street, Quincy, Illinois. He is the office manager of the Grant Motor Company.

Kenneth H. Burnett, '30, is now at St. Paul in the employ of the University of Minnesota.

E

Dr. W. T. Hodges, '02, is dean of men at the College of William and Mary. All the boys say he's a regular fellow, too.

Arthur D. Wright, '04, paid the Charge a visit recently. Brother Wright is a member of the faculty of Dartmouth College.

Charles A. Taylor, '09, is in business in Richmond, Virginia.

Joseph E. Healey, '10, president of the Epsilon Association of $\Theta \Delta X$, is principal of Blair Junior High School in Norfolk, Virginia.

Dr. R. C. Young, '10, is head of the physics department at the College of William and Mary.

Tom Jordan, '24, has been living at the $\Theta \Delta X$ club in New York City for several years and selling bonds for the P. W. Chapman Company.

William Thompson, '28, is now treasurer of the Perry Buick Corporation in Norfolk, Virginia. Bill says the new Buick is a charm but knows better than to try to sell us one (and that's no reflection against the Buick, either). He is a frequent visitor at the Charge.

Elliott D. Healey, '31, is a member of the Whaleyville High School faculty.

William White, '31, is in business at his home in Olyphant, Pennsylvania.

Wallace Smith, '31, is associated with the Perry Motor Corporation in Norfolk, Virginia.

Herbert T. Lorentzen, '31, is in business in the city of New York.

Frances Thompson, '31, is now practicing law in Norfolk, Virginia. Bud, a regular visitor at the house, says depression hasn't hit him very hard.

Z

E. C. B. Stiness, '90, and Mrs. Stiness spent the winter at their new home at Frostproof, Florida.

William Colver Hill, '94, principal of the Central High School, Springfield, Massachusetts, served as chairman of the committee for the public secondary school delegates, at the forty-sixth annual meeting of the New England Association of Colleges and Secondary Schools, at its last meeting, held in Boston.

Charles Arnold Hull, '99, combined a business trip with pleasure and was present at the March 19 Zeta initiation banquet, stopping over with "Billy" Hull, his brother, Z '01, while in Providence.

William H. Hull, '01 and Mrs. Hull recently visited their son and daughter-in-law, Warren Hull, '27, and Mrs. Hull in Tacoma, Washington. Of course they were also visiting the two small Hulls, Nancy and Kirk.

Percy Shires, '06, who recently completed production of especially fine yearbooks for the Rhode Island Hospital and the Providence Lying-In Hospital, has been asked to write concerning such publications for *Direct Advertising*, the quarterly of the Paper Makers Advertising Club, of Boston.

Guy F. Strickler, '09, has formed a partnership with John B. Howard to conduct an investment counsel business, maintaining offices in Boston and Providence. Guy was formerly with the Standard Statistics Company, and resides at 118 Angell Street, Providence, Rhode Island.

Dr. E. J. Shaeffer, '10, is general superintendent of the Whiting Refinery of the Standard Oil Company of Indiana at Whiting, Indiana.

Wilbur Stone Deming, D.D., '12, missionary, who is in charge of the Ahmednagar Neighborhood House,

Ahmednagar, India, was recently a host to President Clarence A. Barbour of Brown University, when "Prexie" visited his country as a member of the Commission of Appraisal of the Laymen's Committee on Foreign Missions.

Benjamin H. Slade, '18, was recently elected and installed as High Priest of Providence, Rhode Island, Chapter No. 1, Royal Arch Masons. At the 138th annual convocation, twenty-one of the twenty-five surviving high priests of the chapter were present to see Ben take office.

Charles John Fish, '21, Director of Science for the Buffalo Museum of Science, Buffalo, New York, drove from Woods Hole, Massachusetts, to attend the Zeta initiation banquet, and to deliver one of the most interesting addresses of the evening.

Arthur C. Durfee, '22, who served as representative of the Brown Club of Fall River, Massachusetts, at the meeting of the Brown Alumni Advisory Council on the Hill, February 21-22, was present at the 72nd annual initiation banquet at the Charge house, March 19.

Richard D. Green, '22, is chief probation officer for the Court of General Sessions at Syracuse, New York.

Philip Saunders, '24, who is with C. F. Rittenhouse and Company, accountants, of Boston, and lives in Brookline, Massachusetts, was one of the loyal alumni who came down for Zeta's recent initiation banquet.

Dr. Orland F. Smith, '27, is now an intern at the Rhode Island Hospital.

Joseph Gardner Merchant, '28, was an usher at the wedding of his sister, Alice Milford Merchant to Everett A. Mason on January 16, 1932, at the Merchant home in Warren, Rhode Island. The father of the bride is our deeply beloved brother, Marcius H. Merchant, M.D., '97.

H

Frank H. Mead, '95, is president of the Bowdoin Club of Bangor, Maine.

Harvey D. Gibson, '02, was chosen President of the new Manufacturers Trust Company when the old institution of that name was recently merged with the Chatham and Phenix National Bank in New York.

E. Farrington Abbott, '02, has recently been appointed receiver for the Sweet Shoe Company of Auburn.

Leon V. Walker, '03, fractured his shoulder while on a hunting trip in the Rangerly District this winter. As a result he had to spend two weeks in the hospital in Portland.

Robert G. Albion, '18, is one of the authors of a series of *Brief Biographies*, in ancient, medieval, early modern, modern, and American history, recently published.

Arthur C. Bartlett, '22, has just written *General Jim*, a story of a race horse, which should appeal to all boy readers.

"Larry" Leighton, '25, is teaching Latin and Greek at Dartmouth this year.

Stanley Bishop, '25, is working for Batchelder, Snyder, Dorr and Doe Company of Boston; his territory is the State of Maine, and he calls on us frequently.

"Phil" Palmer, '26, is assistant professor of German at the University of Cincinnati.

Dr. Richard Neil, '27, is resident physician at the Providence Lying-in Hospital.

Wolfgang Thomas, '29, made an extended visit in this country after completing his courses at the Sorbonne in Paris. He returned to Sweden in March.

Ellis Spear, '29, is instructing in psychology at Harvard.

Norman A. Brown, '31, is secretary-treasurer of the Bowdoin Club of St. Louis, Missouri, as well as vice-president of the Graduate Association.

Arthur Jordan, '33, visited the Charge during mid-year.

H^A

Clay Miller, '29, is seeing the world through a port hole in his office of

 Bottom Row: Van Demark, Jones, Page, Henderson, Sterrett

purser on the *S.S. President Coolidge*.

Jesse Wilson, '31, has distinguished himself by winning both the singles and doubles contests in the Tri-County tennis tournaments.

"Norm" Miller, '31, is now connected with a packing corporation. "Norm" is a frequent visitor at the house.

"Don" Kendall, '31, is at the present time studying law in San Francisco and at the same time getting some valuable practical experience in a law firm.

Bob Morrow, '31, is now enrolled with the graduate school of business of Stanford University and has his meals at the house.

Richard Dyer, '31, is busily ferretting news for the *Oakland Post-Enquirer*.

ΘΔ

Al Lodge, '28, was here for a couple of days around the end of February. Al is selling a bilge pump for small boats, which he invented while at the Institute and has since perfected.

Ev Swift, '31, dropped around at the house a few weeks ago. He is working for the American Envelope Company, and expects to take a business trip to the coast in a month or two.

Roger Greenburg, '33, writes from Cle Elum, Washington, that he's working like the dickens and getting lots of sleep and good Western food. Roger is engineer in charge of the construction of a reservoir and pipeline project, bringing down a good salary, and earning it.

ΙΑ

Harold E. Nesbitt, '05, is personnel director for the Consolidated Gas Company of New York.

Howard Goodman, '19, has been chairman of the board of directors of the Hyde Park Neighborhood Club of Chicago. During the winter of 1930-31 this organization met the needs of over four hundred young people, from three to sixteen years of

age and of nineteen different nationalities. Brother Goodman, with three children of his own, is well qualified for this position.

Richard W. Sawtelle, '26, has moved from St. Paul, Minnesota, to Hartford, Connecticut, where he is connected with the Travelers Insurance Company.

K

Since the construction of the new gym has been completed many of our grads may be seen back browsing around, making sharp contrasts as they recall their undergraduate days.

Guy C. Pierce, '96, paid us a very short but pleasant visit a short time ago when he came up from Philadelphia to see "Herb" who returned to our ranks at mid-year after a period of convalescence from a recent illness.

Arthur Coolidge, '03, showed his real Theta Delt spirit by steering our freshmen out of their Concord episode. We can assure anyone that "Art" is one darned good lawyer as well as a mighty fine brother.

Howard J. Savage, '07, has been elected secretary of the Carnegie Foundation.

Walter Mitchell, '15, will defend his state title in badminton at the University Club in the near future.

"Joe" Bourret, '26, honored us with a very short visit, Saturday, February 20. Due to the fact that many of the boys were home for Washington's Birthday, we regret that we were unable to accord "Joe" as warm a reception as we would have liked. But we promise him a warmer reception next time.

Stan Robinson, '27, the ex-pitching ace of Tufts baseball of other seasons, has been chosen by "Pop" Houston, '14, Director of Athletics, to assist "Ken" Nash, Z '12, in the constructing of a winning nine at Tufts this season.

Maurice Moore, '32, our latest addition to the graduate ranks, is giving the insurance racket a whirl in New Jersey.

A

George N. Merritt, '05, has been appointed general manager of the Porter Corporation of Boston, Massachusetts.

AA

"Jimmy" McMullen, '30, has been going great guns with the National Sea Fleas hockey team, O.H.A. champions, this year, and we hope, Allan Cup winners.

Bruce Paul, '31, a star member of the same team, has been laid up since the beginning of the season, having first had a casualty and later on contracting pneumonia. We hope to see him in the finals however.

"Ham" Thorburn, '31, has changed his address from Niagara Falls, Ontario, to Toronto. He is with Fry, Mills, and Spence, bond brokers, and is once again living in the Charge house.

MA

Brothers Stubby Crawford, '97, Chub Walker, '99, Tom Flaherty, '99, Frank Kane, '04, George Whicher, '10, Bill Corry, '11, Mel Miller, '17, Len Moore, '19, Frank Dudley, '30, attended the dinner of the Amherst Alumni Association of New York, held at the Amherst Club on February 4, 1932.

"Wallie" Montague is general manager of the Maricopa Creamery Company, Inc., of Phoenix, Arizona. This company is a subsidiary of Borden's. Monty has been in Arizona a year and a half now and finds his Theta Delt contacts few and far between. He writes that he would like very much to hear from some of the boys.

H

The Right Reverend David Lincoln Ferris, '88, paid his first official visit as Bishop of the Diocese of Rochester to the Church of Saint James the Greater, Rochester, Sunday evening, January 17.

Miles D. Stettenbenz, '09, has been appointed managing editor of the

Buffalo Times, a Scripps-Howard newspaper. Before coming to the *Times*, he was a member of the staff of the *New York World Telegram*.

HA

Judson F. Falknor, '17, has announced his candidacy for the Republican nomination for lieutenant-governor of the State of Washington.

Robert W. Bender, '19, who for the past year and a half has been manager of the Washington and Oregon division of the Fox West Coast Theatres, has resigned to become a partner with his father-in-law, publisher of the *Juneau Daily Alaska Empire*.

Brother James Runte, '28, has been promoted from assistant manager of the Fox Fifth Avenue Theater to manager of the Fox Paramount.

Brother Frank Wilson, '29, passed his bar examination for the State of Washington.

Clayton Chapman, '30, has just returned from the Orient.

Harold Selvidge, '34, left last week for a trip around the world playing in an orchestra aboard the S.S. *President Adams*.

HA

William F. Reich, Jr., '18, has been appointed general sales manager of the Carbide and Carbon Chemicals Corporation of New York.

PA

Reed Gordon Dilworth, '91, is a successful lawyer in San Diego, with offices in the Union Building.

Clifford Wilmurt, '93, formerly vice-president of the Bankers Trust Company, has built himself a beautiful home overlooking the Pacific, at 7744 Luddington Drive, La Jolla, California. Brother Wilmurt is justly proud that his son Arthur R., MA'28, has had a six-week run of his first play, *The Guest Room*, on Broadway.

Edgar G. Roberts, '94, Robert Van Iderstine, '94, Stewart H. Crampton, '97, and Phillip Thurston, '27, were

UNIVERSITY OF CALIFORNIA AT LOS
ANGELES

Top Row (left to right): Bert McKay, George Wilkinson, Walter Cash, Berton Heath, Walter Wortham, Charles Blackton, John Boyce-Smith

Second Row: Earl Harris, James Wortham, Wilton Adams, Scott Crosby, Fred Kienzle, Edward Rhone, Felix Rossi

Bottom Row: Walter Vidor, Herbert Fox, Roger Swartwood, Robert F. Howard, Ray C. Edwards

present at an anniversary dinner held at the Waldorf-Astoria Hotel in New York City on February 11, in honor of President Butler of Columbia University.

John Boyce Smith, '01, president of the Columbia Alumni Association of Los Angeles, sent the following telegram to Dr. Butler. "Heartiest congratulations upon your triple anniversary from five hundred alumni, Los Angeles. We approached Olympic Committee regarding special events for college presidents in games here next summer but were assured your supremacy so universally conceded that no contest necessary. Glory, Glory for Columbia." Brother Smith was seriously ill during the winter but has pretty well recovered now.

John Boyce Smith, '01, is again a proud father. No, I don't mean what you think—his son, John Boyce Smith, III, is a member of the 1934 delegation of $\Psi\Delta$.

Roy S. MacElwee, '08, has moved from Beverly Farms, Massachusetts, to 58 Windemere Road, Rochester, New York.

George J. Eltz, '17, is now living at 174 Mountain Road, West Hartford, Connecticut.

William T. Mussaeus, '18, is living in the suburbs of Paris. He receives mail at the Paris branch of the Bank of Montreal. He recently started a bus line between Paris and Coblenz.

Paul J. Wacker, '25, is in the real estate and insurance business at 630 Ninth Avenue, New York City. He is living at 5 Prospect Place.

Frank R. Pitt, '28, is with the law firm of Bouvier and Beale at 165 Broadway, New York. He is living at 503 Eighth Avenue, Brooklyn.

$\Sigma\Delta$

George Hambrecht, '96, and his wife attended dinner at the house March 13. He told many interesting tales of Wisconsin politics at the time that he was an assemblyman, and his views on contemporary poli-

tics. Brother Hambrecht extended a very kind invitation to the boys to see his Lincoln collection, which should prove exceedingly entertaining in view of the fact that he is now the leading authority on Lincoln.

James R. Adams, '12, is in the rubber manufacturing business in California. His address is 468 West Wilson St., Glendale.

Henry F. Griswold, '20, who is with the J. I. Case Company in Racine, was in Madison for a day or two during the legislative fight to put through the unemployment insurance measure, and spent some time at the house.

"Budge" Mead, '23, left February 27 for a short sojourn in Florida. Budge has been exceptionally busy as president of the Illinois Bank and Trust Company in Rockford, Illinois, since the closing of several banks in Rockford, leaving only five banks to handle all of Rockford's business.

Hal Porter, '31, and Don Allen, '31, were up for several days over Washington's birthday. Both are fortunate enough to still have their jobs in Chicago—whether they are still working or not, we do not know.

Phil Nash, '31, was down from Wisconsin Rapids for a very brief visit the week-end of February 27. He is well posted on all the current events, somehow finding time to peruse all the current periodicals.

Har Mills, '31, after months of grueling training and constant practice, has established himself at the ping-pong champion of his neighborhood in Flint, Michigan. If any brothers should decide to take their lives in their hands and cross into the uncivilized beyond, Har would be very glad to have them stop at civilization's last outpost, Flint, Michigan, for maps, supplies, etc.

Art Brandt, '31, was up for a week-end a short while back. He is with an investment house in Chicago—just another one of the "boys of '31" who aren't working. Art was contemplating the establishment of a branch in Madison, when he was here.

Will Skoglund, '32, and last year affiliated with Kappa Deut, is convalescing from a bit of an illness in Florida, with his parents.

Paul Blomquist, '33, who is now employed by the Weiboldt store in Chicago, was up for the week-end of February 27. His passion for cameras is evidently still unabated, as evidenced by his refusal to leave until he had a few "shots" of the boys.

TA

Kenneth Salisbury, '13, who was recently appointed head of the Naval Reserve Air Port at Minneapolis, was involved in a freakish plane crash. Blinded by a driving snow, Pilot Salisbury swooped down too close to the ground, and found himself piled up in a snowbank on Lake Calhoun. He was not injured.

Roland Chapman, '13, of Portland, is busy furnishing lumber for the construction work on the great Boulder Dam.

Dr. C. Donald Creevy, '26, is studying at St. Hedwig's Hospital in Berlin this year. He plans to spend eight months there and then spend some time traveling. He recently met another Minnesotan, Dr. Carl Rice who is doing postgraduate work in Berne, Switzerland. Dr. Creevy's address is Pension Baschkant, Rankestr. 27-11, Berlin 50 W, Germany.

H. L. Martin, '25, is now located with the Equitable Life of New York at Syracuse, New York.

Dr. Donald Creevy, '26, is traveling in Europe.

Wedworth Beard, '30, is teaching high school at Pine River, Minnesota.

TA

Marshall H. Diverty, '10, after sixteen years of service on the Woodbury (N.J.) Board of Education, the last ten of which were spent as president, retired February 1.

Ike M. Smalley, '27, has recently returned from India where he has been employed with the Goodrich Rubber Company.

Millard S. Banks, '28, has recently been elected a governor of the Theta Delt Club in New York.

Jack E. Hunter, '31, is employed at the National City Bank in New York City, and he is residing at 202 Riverside Drive.

X

Homer DeWilton Brookins, A.M., Litt.D., '80, wields a mighty pen these days and in the last issue of *The Watchman-Examiner* he had a most soul-stirring and inspiring editorial on George Washington.

Wilfred Joseph Craven Craig, '99, is teaching the young idea how to shoot at Shadyside Academy, Pittsburgh, Pennsylvania.

William Burt Woodruff, '98, after his graduation from the University of Rochester, took postgraduate work at the University of Wisconsin. He is a most successful farmer on a large scale at Scotts Bluff, Nebraska.

XA

Stanton C. Peele, '99, is a member of the governing board of the Racquet Club where many of the functions of the Washington Graduate Association are held.

Charles H. Tompkins, '06, is the constructing engineer for the new Georgetown University dormitory. His organization has erected a great many of Washington's largest and finest buildings.

Washington Theta Deltas were very much pleased at having with them over Easter, Arthur P. Middleton, XA '12, and that charming Thedelchian, Mrs. Middleton. Arthur is to be thanked for bringing with him, to Washington, Charles P. Schmid, II^A '97, and probably the Fraternity's best known Thedelchian, Mrs. Schmid. The other member of that visiting delegation was none other than "Norm" Hackett. To you all we say, "Come again soon."

Carroll Meigs, '26, and his wife, Jeanne, will return to this country in June after a year spent in Europe and Northern Africa.

Due to the purchase of the Wilkins Building by the U. S. Government, Charles E. Pledger, Jr., '26, will move his law offices to the National Metropolitan Bank Building about May 1.

Gunton Temple Memorial Presbyterian Church of Washington, D.C., is truly a Theta Delt church. Charles H. Tompkins, '06, is on the board of trustees; John Emil Larson, '18, is an elder; and Malcolm George, '27, and Reginald H. Pledger, '28, are deacons.

All Chi Deuts are urged to make their plans now to be present at the Eighty-fifth Convention, June 25-28, at Briarcliff Lodge, Briarcliff Manor, New York. It promises to be one of our best conventions and due to its central location, should be well attended. Let's make Chi Deut's delegation the largest.

Detlaw M. Marthinson, '16, real estate operator and builder, has his offices at 1909 Massachusetts Avenue, W.W., Washington, D.C.

John Russell Mason, '23, was the organist at the mid-winter convocation of George Washington University.

The Washington Graduate Association has welcomed back into its fold James F. Bacon, '09, who now is located at Silver Springs, Maryland.

Washington Theta Dels enjoyed a brief visit from the Fraternity's registrar, Walter R. Bullock, Z '02, during the Easter holidays.

Ψ

Edward C. MacIntyre, '05, well-known glove manufacturer and member of the firm of Davies, MacIntyre and Company, of Johnstown, has been elected president of the Johnstown Bank.

The Rev. John D. Gregory, '25, addressed a meeting of the members of the Hamilton College Church held at the Faculty Club on Sunday evening, March 20.

Harold Zell Heuston, '32, has been appointed district sales manager of the Southern Silk Mills, Inc. At pres-

ent he is stationed in New York City.

At the concert of the Hamilton College choir held in the Guild Theater on Sunday afternoon, March 7 were Jasper N. Hand, '29, Harry P. Weston, '29, Howard F. Hart, '30, Walter E. Knox, '29, Herbert A. Knox, '31, and Winford L. Polhemus, '31. Alexander Woolcott, '09, acted as master of ceremonies for the choir concert.

At the initiation banquet on February 14 were President F. C. Ferry, I '91, C. Spencer Phillips, '30, J. Fred Folley, '30, Dick Rathbun, '28. A telegram was received from Fred Cunningham, '99.

Fred Sautter, '33, who is now at Cornell for advanced work in chemistry, visited the Hill on February 10, which was between his semesters.

Charlie MacLean, '27, visited the Hill several times during the past hockey season.

ΨA

Jim McCandless, '25, is with the legal department of the Southern California Auto Club. If you do not think he is good, just remember that he recently won a damage suit for Lew Webb, '31, to the tune of \$250.

The Psi Deut Alumni Association have elected Ken Miller, '27, president, Frank Ryan, '29, secretary, and Bill Blackburn, '30, treasurer. Under the leadership of Ken Miller, the local alumni are bound to go places.

Frank Ryan, '29, is connected with the transit department of the Security-First National Bank, of Los Angeles.

Mauro Herrera, '30, is the big shot in the Nourishine Hair Tonic Company. He is both producer and distributor. However, from the looks of his hair and his new Studebaker eight, he not only has a good tonic but also has a good demand for the same. The boys will soon stop laughing and start asking for jobs.

Bill Blackburn's, '30, marriage has not reformed him as many had hoped it would; he is still cheating the pub-

lic in his old iron business (he calls it automobile finance now).

Lew Webb, '31, is now the mainstay of the May Company warehouse department. He brings "The college attitude" to Jefferson & Grand, Los Angeles.

John Rhone, '32, is still with the Southern California Edison Com-

pany, in spite of a wage cut; he reports enthusiastically about a raisin and rice combination which is called Bubbles.

U. L. Logan, '32, is now owner of the U. L. Logan Merchandise Company of Gila Bend, Arizona. In coming West drop in at U.L.'s (and buy something).

The largest out-of-door swimming pool in the world, comprising three and a half acres, is to be found at Briarcliff. The Eighty-fifth Convention has planned a swim-meet for all classes.

Eighty-fifth Convention at Briarcliff-on-the-Hudson, June 25-28.

Briarcliff Lodge in the beautiful country of the Lower Hudson, less than an hour from New York.

At Briarcliff Lodge there are endless walks and bridlepaths running out sheer into the hills and dipping down into the hollows. Don't forget June 25-28.

ENGAGEMENTS

- W. F. G. Adams, Δ^{Δ} '31, to Miss Jean Robertson of Toronto, Ontario.
Egbert H. Davis, Γ^{Δ} '31, to Miss Harriett Wood Moffett of Detroit, Michigan.
Stephen F. Dunn, B '30, to Miss Margaret Elizabeth Seaman of Detroit, Michigan.
James Irving Gorton, Z '25, to Miss Dorothy Signer of Bronxville, New York.
Robert Kingsbury, H '34, to Miss Mary Woodbury Dana of Portland, Maine. Miss Dana is the daughter of Luther Dana, H '03.
Richard C. Overton, Γ^{Δ} '29, to Miss Sylvia Lee.

**REAR-ADMIRAL CHARLES FRANCIS STOKES, PΔ '84, M.D., U.S.N.,
 RETIRED, Ω OCTOBER 29, 1931**

Rear-Admiral Charles Francis Stokes, Surgeon General of the Navy from 1910-14, died of pneumonia in the New York Naval Hospital, Brooklyn, October 29, 1931.

Dr. Stokes had been in declining health for several years past. He was sixty-eight years of age, having been born in New York City in the year 1863.

Brother Stokes had a most brilliant career. He attended the Adelphi Academy and the Polytechnic Institute of Brooklyn and graduated from the College of Physicians and Surgeons of Columbia University in 1884. He became an ambulance surgeon at Chambers Street Hospital the year before graduation and on obtaining his degree he was appointed house surgeon at Bellevue Hospital, receiving first honors in a competitive examination among twenty men.

Brother Stokes entered the Navy as assistant surgeon in 1889, becoming executive surgeon of the Naval Hospital, Brooklyn, 1899, and achieved the rank of surgeon, May 31, 1900. During the Spanish-American War he was operating surgeon aboard the ambulance ship *Solace*. He was also surgeon on the *Buffalo* in the Orient, and from 1903 to 1906 was President Roosevelt's surgeon. At this time he was professor of surgery at the Naval Medical School in Washington. Dr. Stokes commanded the United States Naval Hospital at San Juan, Porto Rico, from 1906 until 1908, and was recalled by the Navy Department to command the United States Hospital Ship *Relief*, for service with the Atlantic Fleet on the 'round-the-world cruise in 1908. He was the first medical officer to command a hospital ship. Dr. Stokes succeeded Dr. Presley M. Rixey as

surgeon general in 1910 and four years later was succeeded by William C. Braisted.

In announcing the appointment of Dr. Braisted, Josephus Daniels then Secretary of the Navy, stated: "Never has the standing or reputation of the Medical Corps of the Navy been so high as under the administration of Dr. Stokes."

Dr. Stokes was engaged in private practice in New York from 1919 until 1928. He was the author of many monographs on military and general surgery. He was an expert in abdominal surgery in the Navy, and first devised the "first-aid" dressing which the Army and Navy used in a modified form in the World War. It was he who devised the Stokes splint stretcher.

Dr. Stokes was a Fellow of the American College of Surgeons and one of its founders and, as was one of those most interested in the early beginnings of the American Academy of Physical Therapy and its work, making many valuable contributions.

While attending an annual meeting of doctors and surgeons, at Montreal last year, he gave an interview with representatives of the press on the menace of narcotic drugs, he being able to speak with intelligence and authority, being vice-president for North and South America of the World Narcotic Defense League. Among other things, he said of it: "It is no little problem, it is one of gigantic and international proportions. If we are to solve it, all nations must co-operate and treat traffic in drugs as piracy for which the penalty is death."

Dr. Stokes was elected first vice-president of the Academy of Physical Therapy for the ensuing year.

BISHOP CAMERON MANN, ✠ '70, ♀ FEBRUARY 15, 1932

Rt. Rev. Dr. Cameron Mann, aged 80 years, bishop of the south Florida Diocese of the Protestant Episcopal Church, died February 15 in Winter Park, Florida. The body arrived at Watkins Glen, New York, early Saturday morning and later funeral services were held at St. James' Church, Watkins Glen, of which he was rector for nineteen years.

Brother Mann was born April 3, 1851, in Orlando, Florida, son of Rev. Duncan and Caroline (Schuyler) Mann. His boyhood was spent in Watkins. In 1871 he was graduated from Hobart with the degree of bachelor of arts; later he received from this college the degree of Master of Arts and the degree of Doctor of Divinity. He took his theological training from the General Theological Seminary, New York, from which he was graduated with the degree of Bachelor of Divinity and later the seminary conferred upon him the degree of Doctor of Divinity.

In 1876 he was ordained a priest and, after serving as missionary in charge of Branchport, he served from 1873 to 1875 as curate of St. Peter's Church, Albany. In 1875 he followed his father by assuming the rectorship of St. James Church, Watkins Glen, his first charge. There he remained for nineteen years. He was married in 1882 to Miss Mary LeCain of Cincinnati, Ohio. On December 4, 1901, he was consecrated Bishop of North Dakota. In 1913 he was transferred to the diocese of South Florida, where he served until his death.

Dr. Mann was the author of numerous theological works, volumes of sermons, and a book of verse. His last visit to Watkins Glen was in November, 1930, during the 100th anniversary of St. James Church. The ceremonies at that time included the consecration of the Mann memorial altar, gift of the Bishop's brother, Charles Duncan Mann of Memphis, Tennessee.

Among the survivors are two brothers, Rt. Rev. Alexander Mann, ✠ '81, Bishop of Pittsburgh and Charles Duncan Mann, '90, of Memphis, Tennessee; three sisters, Mrs. William Chapman and Mrs. Henry D. Ashley, Kansas City, Missouri, and two children.

FRANK WARREN KNOWLTON, K '99, Ω MARCH 3, 1932

The legal profession in Massachusetts lost one of its best known and most able members in the death of Frank W. Knowlton, member of the Boston law firm of Choate, Hall and Stewart. Mr. Knowlton died at Phillips House, Massachusetts General Hospital, of a heart attack which culminated a week's illness.

Mr. Knowlton was born in New Bedford, August 1, 1878, the son of the late Hosea M. Knowlton, K '67, and Sylvia (Almy) Knowlton. The elder Knowlton was for many years attorney general of Massachusetts, and served also as a trustee of Tufts College.

Following his graduation from Tufts College in 1899, Brother Knowlton entered Harvard Law School and was graduated with high honors in 1902. He then entered the office of Ropes, Gray, Boyden and Perkins, and remained with that Boston law firm two years.

In 1904 he became connected with Choate and Hall, predecessors of Choate, Hall and Stewart, and a few years later became a member of the firm.

Throughout his career, Brother Knowlton devoted his efforts largely to the trial of jury cases, many of which were of conspicuous importance and of a difficult nature. Recently he tried with eminent success the Slater Mills litigation involving several millions of dollars, and a few years ago he obtained in a personal injury case what is believed to have been the largest jury award in a case of this kind ever given in Massachusetts, more than \$130,000. He was regarded as an outstanding cross-examiner.

In the affairs of the town of Weston, Massachusetts, where he had made his home for many years, he had long taken a most active part. He had served on several important town committees, and for the past few years had been town moderator. For a number of years also he was chairman of the parish committee of the First Parish Church, Weston.

In 1908 he married Miss Isabel R. Riese, who, with three sons, survives him. The sons are Frank W., Jr., a first-year student at Harvard College; Robert Almy, a student at St. Mark's; and William Allen, who is attending school in Weston. Mr. Knowlton is survived also by his mother, three sisters, Mrs. Maynard Hutchinson of Framingham, Mrs. James H. Lewis of Worcester, and Miss Abigail Knowlton of Boston, and by two brothers, Dr. Edward Knowlton, K '06, of Holyoke, and Benjamin A. Knowlton, K '15, of Newberry, South Carolina.

Brother Knowlton was a member of the grievance committee of the Boston Bar Association, a member of the Massachusetts and the American bar associations, and held membership also in the Union Club of Boston and the Weston Golf Club.

FRANK WARREN KNOWLTON*A Tribute by B. Loring Young, Former Speaker of the Massachusetts House*

In the death of Frank W. Knowlton, the bench and bar of Boston and the commonwealth have lost an outstanding and honored member of the legal profession, and a multitude of individuals a dear personal friend. This is not the time to speak of his exceptional legal ability but of his even more exceptional qualities of heart and character. Working longer hours than most men of his profession (and the law is a jealous mistress), he nevertheless reserved enough of his time and strength to serve the community in countless ways. The son of a great attorney general, the late Hosea M. Knowlton, he was born to a tradition of service to his fellow men. Material things for themselves had little appeal to him. His interest was in building character for himself and for all

who came in contact with him. He recognized the importance of maintaining high standards in the practice of law and to help obtain that result he gave many hours of arduous work as a member of the grievance committee of the Boston Bar Association.

Modest and unassuming he walked through life humbly but with the moral strength and courage of a true knight errant and the gentleness of a child. For many years he lived in the town of Weston and it is particularly his place in that community that the writer of these few lines has in mind. No important matter for many years has been undertaken or completed by the town except as a result of his wise counsel and advice. In town meetings he spoke with force and sincerity and no one was listened to with greater respect. As town moderator in recent years he showed that parliamentary law and dignified procedure may be accompanied with the utmost courtesy and consideration for every voter. To his neighbors and fellow townsmen in every station of life his wisdom and experience, his kindly help and sympathy were freely and gladly given. Few people know how many men and women in trouble or difficulty brought their personal problems to his door and how much of his strength was poured out to give them help and consolation. There is no doubt that in the death of Mr. Knowlton the bar of Massachusetts has lost one of its most illustrious members and the town of Weston its most valuable and beloved citizen.

WORTHY H. KINNEY, X '80, Ω FEBRUARY 12, 1932

Worthy H. Kinney, X '80, former principal of Lyons High School and long a leading educator in western New York, died at his home, 109 Winton Road South, on February 12, 1932.

Brother Kinney came with his family to live in Rochester following his retirement as head of Lyons High School four years ago. He had been ill since last October.

He leaves his wife, Mrs. Annie Macafee Kinney; a son, Price W. Kinney; a brother, R. C. Kinney and a sister, Mrs. Ella Macafee of Athens, Pennsylvania.

Brother Kinney moved to Lyons from Cuba, and became principal of the Lyons Union School in September, 1888, a position which he continued to hold until June, 1927, when he resigned after a continuous service of thirty-nine years.

Before coming to Lyons he was principal of the school at Cuba and had been principal at Victor from 1880 to 1881. During the time he was connected with the local school two new Union School buildings were constructed, one in 1890 and the present edifice in 1922. Following his resignation he moved to Rochester.

Brother Kinney was a graduate of the University of Rochester and held the M.A. degree. He was a member of the Lyons Civic Club, the University Extension Circle and Lyons Lodge of Elks.

In appreciation of his long and valued services at Lyons, the Board of Education erected a bronze tablet in the main corridor of the new school building. In 1924 he deposited \$500 with a trust company, the income to be used as a prize to be awarded to pupils attending the Lyons Union School. The prize to be known as the Edith Kinney Memorial English prize. The prize being in memory of his deceased daughter, an English teacher.

WILLIAM W. CURTIS, H '82, Ω MARCH 1, 1932

William W. Curtis, principal of Pawtucket High School from 1888 until 1900, and father of Miss Flora Curtis, dean of the high school, died in Massa-

chusetts General Hospital, Boston, after a short illness. He was stricken while in the Boston office of the Prudential Life Insurance Company, where he had had been employed for about fifteen years past. He was 74 years old.

Born in Freeport, Maine, on December 22, 1858, the son of Joseph S. and Susan (Skolfield) Curtis, he was graduated from Bowdoin College, Brunswick, Maine with the class of 1882.

He was married on April 16, 1881, to Emma Adelaide Chadsey of Freeport, and last year they observed their golden wedding anniversary.

Brother Curtis' first post was the principalship of the high school at Gorham, Maine, where he remained about two years before taking a similar position in Holbrook, Massachusetts.

In 1888, he succeeded George McAndrews as principal of the local high school. He held that position until 1900 when he resigned to enter the insurance business.

While principal here, he edited several books and won a Master of Arts degree at Brown University.

His entry into business was made through the New York Life Insurance Company, from which he went to the Connecticut General Insurance Company, both at Providence, and subsequently to the prudential Company in Boston.

He is survived, besides his widow, by two daughters, Miss Curtis of the high school, and Miriam Curtis, superintendent of the Cooley-Dickinson Hospital, Northampton, Massachusetts; three sons, Philip C., Z '11, superintendent of the dye works of the Sayles Finishing Company; Myron S., X^Δ '12, chief engineer of Potter and Johnston Machine Company, and William W. Curtis, Jr., H '20, of the J. O. Draper Soap Company, and a sister, Mrs. Anne L. Kelsey of Freeport, Maine.

While all three sons are members of Theta Delta Chi Fraternity, only William, Jr., is a graduate of Bowdoin. The other two are graduates of Brown University. Myron Curtis was selected for an all-American team by the late Walter Camp, football expert.

He was a member of Union Lodge, No. 10, F. and A. M.; was past high priest of Pawtucket Royal Arch Chapter; was past commander of Holy Sepulchre Commandery.

JUDGE H. HUESTIS NEWTON, Δ '83, Ω DECEMBER 14, 1931

Judge H. Huestis Newton died suddenly in the city solicitor's office at the Everett, Massachusetts, city hall on December 14, 1931. Judge Newton was born in Truro, Massachusetts, on December 2, 1860. He attended the public schools of Chatham and Provincetown, Massachusetts. After graduation from Boston University he taught for twelve years in Wellfleet, West Newbury, and Boston.

In 1891, Brother Newton was admitted to the bar. In 1895, he became city solicitor for Everett. In 1923, he was reappointed to that position and was preparing papers to present at a board of alderman's meeting when stricken.

From 1892 to 1896, he was a member of the Everett School Committee. In 1905, Judge Newton was elected mayor of the city of Everett, serving one term. He then served seven terms in the state legislature.

For several years, Brother Newton has been senior associate justice of the Malden District Court. He is survived by his wife and two sons, Ernest H., and Harland B., C.L.A. '17.

REV. EDWARD ARTHUR TUCK, M^Δ '85, Ω DECEMBER 14, 1931

Rev. Edward Arthur Tuck, graduate of Amherst in the class of 1885, with the degree of B.A., died of heart failure at Penney Farms Memorial Home Community, Florida, December 14, 1931. Brother Tuck was born in Milford,

New Hampshire, February 6, 1860, the son of Eben Parker and Lydia (Frye) Tuck. He prepared at Worcester Academy, and after spending a year at Brown, went to Amherst where he won election to Phi Beta Kappa. He was graduated from Rochester Theological Seminary in 1889 and was ordained in the Baptist ministry two years later, when he became pastor of the Peoples Church, Newburgh, New York. He left Newburgh in 1896, was pastor during the summers of 1896 and 1897 at the Summer Street Church, Nantucket, Massachusetts, and then regular pastor of the Peoples Church, Nantucket, 1897-99. He was in evangelistic work, 1899-1900; pastor of the Congregational Church, Otisfield, Maine, 1901-03; missionary to lumbermen in Maine and New Hampshire 1904; New Hampshire State missionary, 1905; pastor of the Congregational Church, West Stewartstown, New Hampshire, 1906-07; of the West Church, Concord, New Hampshire, 1908-13; and from 1913 to 1931, field secretary of the Lord's Day League for New England. He was married February 17, 1897, to Miss Grace E. Whitson.

PERLEY L. HORNE, I '92, Ω JANUARY 1, 1932

Perley L. Horne, headmaster of Pinkerton Academy, Derry, from 1917 to 1929, died at his home on January 1, 1932. Brother Horne was born in Kansas in 1866, and received his A.B. and A.M. degrees from Harvard University. He was a former principal of Dummer Academy and at one time president of Kamehameha in Honolulu. Returning to New England, Brother Horne conducted a private school in Wellesley, Massachusetts, from 1915 to 1917, and then became headmaster of Pinkerton Academy which position he held until his retirement in 1929.

FREDERICK G. ERBE, X '05, Ω 1932

Frederick G. Erbe, secretary of Yawman and Erbe Manufacturing Company, died at his home in Rochester, after an illness of a week of pneumonia.

Brother Erbe was the son of Gustave Erbe, one of the founders of the company. He attended Rochester schools, the Bradstreet Preparatory School and the University of Rochester. After leaving college in 1905 he became associated with the firm as mechanical and electrical engineer, later being advanced to production manager and finally was elected a director and made secretary of the corporation.

Brother Erbe for several years had been an active Y.M.C.A. worker. He also was a member of the Genesee Valley Club, Rochester Club, Oak Hill Country Club, Country Club of Rochester, Rochester Athletic Club, Rochester Automobile Club, Society of the Genesee, and several Masonic bodies.

He leaves his wife, Mrs. Elnora Graham Erbe; a son, Frederick G. Erbe, Jr., of New York; a daughter, Miss Jeanette Erbe, an art student in New York; his mother, Mrs. Antonia Erbe; a brother, Gustave Erbe, Jr., and a sister, Mrs. Rose E. Slein of Toronto, Ont.

MATTHEW D. CRAWFORD, JR., TΔ '14, Ω NOVEMBER 6, 1931

Matthew D. Crawford, Jr., 39 years old, commanding officer of the United States naval reserve air forces at Wold-Chamberlain field, died on Friday, November 6, in the Veterans Hospital at Fort Snelling following an operation.

An impressive military funeral service was conducted at Lakewood cemetery, in the chapel. Officers of the naval reserve were pallbearers. A squadron of five planes flying in broken formation, indicating the loss of a comrade, circled overhead, the pilots dropping flowers.

Married October 7 to Miss Janet Brown, of St. Paul, Brother Crawford was stricken shortly after his return from a honeymoon trip to the East.

He was known as a singer, having appeared with the Minneapolis Symphony Orchestra when he was ten years old. For several years he was boy soprano soloist at St. Paul's Episcopal Church and after attending the University of Minnesota; studied voice for three years in New York.

At the outset of the war he enlisted in the naval aviation service, going into training at the Pensacola, Florida, naval training station. He was instrumental in the establishment of the reserve aviation base in Minneapolis.

HERBERT L. TOWNE, 1A '94, Ω DECEMBER 21, 1931

Dr. Herbert L. Towne, former police surgeon and city health officer of Schenectady, New York, died at his home on December 21, following an illness of over a year. Brother Towne was born in the town of Florida, Massachusetts, and received his early education in the district schools of the Hoosac Valley, in large measure preparing himself for college.

As an undergraduate he was a pole vaulter with few equals, but focused his attention upon his curricular work.

After graduation Dr. Towne became director of athletics and teacher of mathematics at Worcester Academy. He later studied medicine at the Homeopathic College of Physicians in New York City, and upon graduation began his practice in Schenectady, where he also served for a time as athletic director at Union College.

Dr. Towne was a self-developed man, highly esteemed in his profession. His widow survives him.

LEONARD E. STAPLETON, Σ A '12, Ω 1932

Leonard E. Stapleton, for eight years head of the Eastman Kodak Company statistical department, died at his home, 230 Cobbs Hill Drive, Rochester.

Brother Stapleton had been ill for some time and had been compelled to relinquish his active duties. Recent improvement in his condition had permitted him to return to his desk at the Kodak office as a consultant in statistics.

Before his illness Brother Stapleton was actively interested in the American Statistical Association and in the Rochester Chamber of Commerce. He had served on several committees for statistical surveys in Rochester and Monroe County.

Until his death he remained commanding officer of the chemical warfare service reserve in the Rochester area, with the rank of major. In the World War he was in charge of statistics and charts for the gas defense division of the chemical warfare service.

Chippewa Falls, Wisconsin, was Brother Stapleton's birthplace. After leaving the University of Wisconsin in 1912, he engaged in civil engineering and hydro-electric work in California, Texas, and the Middle West.

Following the war and before joining the Kodak organization in 1922, he successively had charge of the New York office of W. G. Brinton, was in charge of statistics for the Borden Company, and organized a New York consulting service of his own in the field of business statistics and graphic charts.

He was a member of Blessed Sacrament Church.

He is survived by his widow and two children, Thomas and Jane Stapleton, 14 and 12.

The architecture, appointments, and general atmosphere of Briarcliff Lodge is like that of an old English manor house.

85th CONVENTION

*"A Theeta Delta Rally in
Romantic Hudson Valley"*

BRIARCLIFF LODGE—BRIARCLIFF-
ON-THE-HUDSON

(Only twenty-five miles from New York City)

June 25.

10:00 A.M. Opening session
1:00 P.M. Charge luncheons
